After the paper is accepted in its final form, an electronic copy will be appreciated and will advance the final publication date of the paper. It is preferred that papers be prepared in LaTeX or other variant of TeX, especially for manuscripts that include extensive symbolic or mathematical notation. The ASL LaTeX style files are available at http://www.aslonline.org, but their use is optional. Fifty offprints of each article are supplied at no charge; additional offprints may be purchased if desired.

Postscript files of articles published in the BULLETIN may be downloaded using a Web browser from http://www.math.ucla.edu/~asl/bsltoc.htm. All volumes of the BULLETIN also are available online in the JSTOR database.
