Hi Lara,

We're at the Station Hotel. It isn't a big new hotel near the station – it's an old station near the beach! It's great! The rooms are small, but they're very good.

Our room is on the first floor. We have beautiful flowers in the room and there are a lot of pillows and blankets on the beds. It isn't cheap, but we're only here for three nights.

There are a lot of people here. There aren't any free rooms! All the people are very friendly and the manager's nice. In the evenings, we have dinner in the Old Station restaurant. It's in the hotel. The food is good and an old man plays the guitar.

See you soon,

Monica and Kalina

There are about 60 houses and there's a school, and a shop where I buy bread every day. There's also a little park near the station. It has an ice cream shop and, in summer, I sometimes take my son to the park and we have an ice cream.

1 DARIA

I live on Holly Road with my wife and daughter. It's not a very interesting place to live, but it's easy to get to work because I work at Holly Road Hospital. There are a lot of offices and flats in my road, but there aren't any shops or restaurants. It isn't a problem. There's a big supermarket near Holly Road and there are a lot of buses to the town centre.

2 GERALDO

I live and work on High Street, in the centre of town. There are a lot of different shops and cafés here and there are two bookshops. I work in the bookshop near the museum. When I'm not at work, I sometimes go to the cinema. High Street is a good place to live. My flat is on the first floor and I sometimes sit and watch the people in the street. There is always something interesting to see.
