

The background of the advertisement is a dark, textured surface. On the left side, there is a cluster of several coins, possibly Euro coins, scattered and overlapping. A white line graph, similar to a stock market chart, is overlaid on the scene, with one line extending from the bottom left towards the top right, showing an overall upward trend with some fluctuations. The text is positioned on the right side of the image.

Economics

Books and Journals from
Cambridge University Press

Cambridge's economics list is renowned for the breadth and quality of its publishing.

Our book list is home to the work of some of the most important economists in the history of the discipline, most notably John Maynard Keynes, as well as the work of almost 30 Sveriges Riksbank Nobel Prize laureates, including Kenneth Arrow, Herbert Simon, Robert Solow and Joseph Stiglitz.

This is complemented by a cluster of key journals such as *Econometric Theory*, *Journal of Economic History* and *Journal of Financial and Quantitative Analysis*.
