PUBLISHED QUARTERLY BY

## EDITORIAL POLICY

*Central European History* publishes articles, bibliographical articles, review articles, and reviews dealing with the history of German-speaking Central Europe. Manuscripts are solicited using all approaches to history, and dealing with all historical periods. Because space is limited, articles which have been or soon will be published elsewhere are not accepted, nor are translations of such articles. Unsolicited book reviews are not accepted. Authors who desire to prepare bibliographical articles are urged to communicate with the editors first. Manuscripts and correspondence should be directed to:

*Central European History*  
Emory University  
Atlanta, Georgia 30322

The entire text, including footnotes, of manuscripts submitted for publication must be prepared in double-spaced typescript, with generous margins to allow for copy-editing. Footnotes should be numbered consecutively, and should be placed in a separate section at the end of the text. It has become essential to require *two copies* of manuscripts, to expedite editorial evaluation and to guard against loss in the mails.
