International Phonetic Association

For general information on the International Phonetic Association please visit https://www.internationalphoneticassociation.org/. The IPA maintains a site with information on the International Phonetic Alphabet, on available phonetic fonts and sound recordings, and on subscription to the Association, It also has links to other sources of information on phonetics.

Audio files of the recorded material accompanying the language Illustrations in the *Handbook of the International Phonetic Association*, published by Cambridge University Press in 1999, may be downloaded from the following web site:

https://www.internationalphoneticassociation.org/content/handbook-ipa

Audio files of the recorded material accompanying language Illustrations published in the *Journal of the International Phonetic Association* since 1998 (after the publication of the *Handbook of the International Phonetic Association*) may be downloaded from the following privileged-access website available to registered members of the IPA:

Membership services and publications

The annual dues of the Association for the current year are £30 for full membership and £15 for student membership. Both types of membership include online access to the Journal. Application for membership, and payment, should be made online at:

https://www.internationalphoneticassociation.org/content/membership

Members in any category can additionally receive print copies of the Journal (three issues each year) by paying an annual print supplement (£20 for 2023, and subject to annual review).

Copying

This journal is registered with the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, USA. Organizations in the USA who are also registered with the C.C.C. may, therefore, copy material (beyond the limits permitted by sections 107 and 108 of U.S. Copyright law) subject to payment to the C.C.C. of the per copy fee of \$12.00.
