Writings of John Hughlings Jackson

1861

ID	TITLE	PERIODICAL SOURCE
61-01 T61 B1	Cases of abscess in the brain Unsigned, but claimed in first person plural in <i>Med Times Gaz</i> , 1862, ii : 221–226, on p. 221.	<i>Med Times Gaz</i> , 1861, i : 196–200 23 Feb 61
61-02 T61 G1 B2	Syphilitic affections of the nervous system. Cases of epilepsy associated with syphilis Initialed report.	<i>Med Times Gaz</i> , 1861, i : 648–652 22 June 61
61-03 T61 G1 B2	Syphilitic affections of the nervous system. Cases of epilepsy associated with syphilis Initialed report.	<i>Med Times Gaz</i> , 1861, ii : 59–60 20 July 61
61-04 T61 G1	Syphilitic affections of the nervous system. Cases of paralysis associated with syphilis Unsigned report; <i>Med Times Gaz</i> , 1861, ii : 133–135, which is initialed, is marked as “continuation from p. 85”.	<i>Med Times Gaz</i> , 1861, ii : 83–85 7 July 61
61-05 T61 G1	Syphilitic affections of the nervous system. Cases of paralysis associated with syphilis Initialed report.	<i>Med Times Gaz</i> , 1861, ii : 133–135 10 Aug 61
61-06 T61 G4	Cases of reflex (?) amaurosis with coloured vision By-line.	<i>Royal London Ophthalmic Hospital Reports</i> , 1861, 3 : 286–291 Issue dated Oct 61
61-07 G1	Syphilitic affections of the nervous system. Cases of paralysis associated with syphilis Initialed report.	<i>Med Times Gaz</i> , 1861, ii : 456 2 Nov 61

Writings of John Hughlings Jackson

ID	TITLE	PERIODICAL SOURCE
61-08 T61 G1	Syphilitic affections of the nervous system. Cases of amaurosis in connexion with syphilis Initialled report.	<i>Med Times Gaz</i> , 1861, ii: 502-503 16 Nov 61
61-09 T61 G2	Cases of deafness associated with syphilis Initialled report.	<i>Med Times Gaz</i> , 1861, ii: 530-531 23 Nov 61
61-10 T61 G3	Cases of paralysis of the portio dura Initialled report.	<i>Med Times Gaz</i> , 1861, ii: 606-608 14 Dec 61

1862

ID	TITLE	PERIODICAL SOURCE
62-01	Apoplexy of the pons Varolii—Recovery—“Fit” (Nineteen years ago) followed by paralysis of the external recti and of the Face and Trunk both motion and sensation—Gradual recovery—Clinical remarks (case under the care of Dr. Brown-Séguard) Unsigned, claimed in <i>Clinical Lectures and Reports by the Medical and Surgical Staff of the London Hospital</i> 1864, 1 : 346, with same title, journal and year but incorrect month (given as Feb, actually Apr).	<i>Med Times Gaz</i> , 1862, i : 429–430 26 Apr 62
62-02 G5	Cases of disease of the cerebellum Initialled report.	<i>Med Times Gaz</i> , 1862, ii : 221–226 30 Aug 62
62-03 G5	Cases of disease of the cerebellum Initialled report.	<i>Med Times Gaz</i> , 1862, ii : 407–409 10 Oct 62
62-04 G6	Cases of injury of the spine and of diseases of the spinal cord Initialled report.	<i>Med Times Gaz</i> , 1862, ii : 463–465 1 Nov 62
62-05 G8	Metropolitan Free Hospital. Sequelae of scarlet fever (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1862, ii : 575 29 Nov 62
62-06 G7	The ophthalmoscope, as an aid to the study of diseases of the brain By-line.	<i>Med Times Gaz</i> , 1862, ii : 598–601 12 Dec 62

1863

ID	TITLE	PERIODICAL SOURCE
63-01 G9	Cases of injury of the spine and of diseases of the spinal cord Unsigned, but labelled as continuation from <i>Med Times Gaz</i> , 1862, ii : 463-465.	<i>Med Times Gaz</i> , 1863, i : 31-33 10 Jan 63
63-02 G11	Hospital for the Epileptic and Paralysed. Convulsive spasms of the right hand and arm preceding epileptic seizures (Case under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1863, i : 110-111 31 Jan 63
63-03 T63 G12 B4	Metropolitan Free Hospital. Syphilis, followed by unilateral convulsions four months afterwards—temporary hemiplegia—paralysis of the sixth nerve on the same side—recovery (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1863, i : 111 31 Jan 63
63-04	Cases of disease of the pons Varolii Unsigned, claimed first person singular in <i>Clinical Lectures and Reports by the Medical and Surgical Staff of the London Hospital</i> , 1864, 1 : 337-387, on p. 343.	<i>Med Times Gaz</i> , 1863, i : 210-215 28 Feb 63
63-05	Hospital for the Epileptic and Paralysed. Severe pain at the back of the head, and frequent vomiting, followed in a few months by complete amaurosis—epileptiform convulsions and partial paralysis (Under the care of Dr. Brown-Séquard; communicated by Dr. Hughlings Jackson, Assistant-Physician at the Hospital) Case under the care of Brown-Séquard, communicated by HJ.	<i>Med Times Gaz</i> , 1863, i : 533. 23 May 63

Writings of John Hughlings Jackson

ID	TITLE	PERIODICAL SOURCE
63–06	Hospital for the Epileptic and Paralysed. Vomiting and headache followed by amaurosis and epileptiform seizures—increase in size of the head (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1863, i : 533. 23 May 63
63–07 T63 G13 B5 SW1, p. 1	Hospital for the Epileptic and Paralysed. Unilateral epileptiform seizures, attended by temporary defect of sight (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1863, i : 588. 6 June 63
63–08 T63 G14 B6 SW1, pp. 1–2	Metropolitan Free Hospital. Epileptiform seizures—aura from the thumb—attacks of coloured vision (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1863, i : 589 6 June 63
63–09 G15	Hospital for the Epileptic and Paralysed. Hemiplegia in an old man—recovery—spasm of the face (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1863, ii : 11–12 4 July 63
63–10 G16	Hospital for the Epileptic and Paralysed. Epilepsy following some months after injury to the head (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1863, ii : 65 18 July 63
63–11 T63 G17 B7	Hospital for the Epileptic and Paralysed. Epileptiform convulsions (unilateral) after an injury to the head (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1863, ii : 65–66 18 July 63

Writings of John Hughlings Jackson

ID	TITLE	PERIODICAL SOURCE
63-12 T63 G18	An experimental inquiry into the effect of the application of ice to the back of the neck on the retinal circulation By-line.	<i>Med Times Gaz</i> , 1863, ii : 90-91 25 July 63
63-13 T63 G19	Hospital for the Epileptic and Paralysed. Notes on the use of the ophthalmoscope in affections of the nervous system (Communicated by Dr. Hughlings Jackson, Assistant-Physician to the Hospital) Communicated by HJ.	<i>Med Times Gaz</i> , 1863, ii : 359 3 Oct 63
63-14 T63 B8	Unilateral chorea, interstitial keratitis; slow recovery under the use of iodide of potassium (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1863, ii : 407-408 17 Oct 63
63-15 T63 G20 B9	The London Hospital. Giddiness, pain in the head, and vomiting coming on suddenly—amaurosis—no paralysis—death eleven weeks after the first seizure—autopsy—apoplexy in middle cerebral lobe (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1863, ii : 588-589 5 Dec 63
63-16 T63 G21 B10	Observations on defects of sight in brain disease By-line.	<i>Royal London Ophthalmic Hospital Reports</i> , 1863, 4 : 10-19 Edition printed 1863
63-17 T63 G22	Ophthalmoscopic examination during sleep By-line.	<i>Royal London Ophthalmic Hospital Reports</i> , 1863, 4 : 35-37 Edition printed 1863

1864

ID	TITLE	PERIODICAL SOURCE
64-01 T64 G23 B14	Hospital for Epilepsy and Paralysis. Clinical remarks on hemiplegia, with loss of speech—its association with valvular disease of the heart (Cases under the care of Dr. Hughlings Jackson) Cases under the care of HJ.	<i>Med Times Gaz</i> , 1864, i : 123 30 Jan 64
64-02 T64 G24 B15	Hospital for Epilepsy and Paralysis. Clinical remarks on defects of sight in diseases of the nervous system (Cases under the care of Dr. Hughlings Jackson) Cases under the care of HJ.	<i>Med Times Gaz</i> , 1864, i : 480–482 30 Apr 64
64-03 T64 G25 B16	Hemiplegia on the right side, with loss of speech By-lined letter.	<i>Br Med J</i> , 1864, i : 572–573 21 May 64
64-04 T64 G26	Note on amaurosis in hemiplegia By-line.	<i>Med Times Gaz</i> , 1864, ii : 87 23 July 64
64-05 T64 G27 B17 SW1, pp. 3–4	The London Hospital. Loss of speech, with hemiplegia on the left side—valvular disease—epileptiform seizures affecting the side paralysed (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1864, ii : 166–167 13 Aug 64
64-06 T64 G28 B18	Hospital for Epilepsy and Paralysis. Epileptic aphemia with epileptic seizures on the right side (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1864, ii : 167–168 13 Aug 64

Writings of John Hughlings Jackson

ID	TITLE	PERIODICAL SOURCE
64-07 T64 G29	Unilateral epileptiform seizures beginning by a disagreeable smell Case under the care of HJ.	<i>Med Times Gaz</i> , 1864, ii : 168 13 Aug 64
64-08 T64 G32 B11	On the study of diseases of the nervous system. A lecture delivered June, 1864 By-line.	<i>Clinical Lectures and Reports by the Medical and Surgical Staff of the London Hospital</i> , 1864, 1 : 146-158 Must be after June 64 and before review published 5 Nov 64 (64-11). Volume printed 1864
64-09 T64 G33 B12	Illustrations of diseases of the nervous system By-line.	<i>Clinical Lectures and Reports by the Medical and Surgical Staff of the London Hospital</i> , 1864, 1 : 337-387 Must be before review published 5 Nov 64 (64-11). Volume printed 1864

Writings of John Hughlings Jackson

ID	TITLE	PERIODICAL SOURCE
64–10 T64 G34 B13	Loss of speech: its association with valvular disease of the heart, and with hemiplegia on the right side— Defects of smell—Defects of speech in chorea— Arterial regions in epilepsy By-line.	<i>Clinical Lectures and Reports by the Medical and Surgical Staff of the London Hospital</i> , 1864, 1 : 388–471 Must be before review published 5 Nov 64 (64–11). Volume printed 1864
64–11	Reviews and Notices. Clinical Lectures and Reports by the Medical and Surgical Staff of the London Hospital Report of Hughlings Jackson's views.	<i>Br Med J</i> , 1864, ii : 524 5 Nov 64
64–12 T64 G30 B19	National Hospital for Epilepsy and Paralysis. Clinical remarks on cases of defects of expression (by words, writing, signs, etc.) in diseases of the nervous system (Under the care of Dr. Hughlings Jackson) Cases under the care of HJ.	<i>Lancet</i> , 1864, ii : 604–605 26 Nov 64
64–13 T64 G31 B20	London Hospital. Chorea, with paralysis, affecting the right side; difficulty in talking (Under the care of Dr. Hughlings Jackson) Cases under the care of HJ.	<i>Lancet</i> , 1864, ii : 606 26 Nov 64

1865

ID	TITLE	PERIODICAL SOURCE
65-01 T65 B24	The London Hospital. Involuntary ejaculations following fright—subsequently chorea (Under the care of Dr Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1865, i : 89 28 Jan 65
65-02 T65	On a case of disease of the posterior columns of the cord—locomotor ataxy (?) By-line: J Lockhart Clarke and J Hughlings Jackson.	<i>Lancet</i> , 1865, i : 617–620 10 June 65
65-03 T65 B25	The London Hospital. Tumour at the base of the brain—death—autopsy—clinical remarks. (Under the care of Dr. Hughlings Jackson.) Case under the care of HJ.	<i>Med Times Gaz</i> , 1865, i : 626–627 17 June 65
65-04 T65 B23	Affections of cranial nerves in locomotor ataxy By-lined letter.	<i>Lancet</i> , 1865, ii : 247–248 26 Aug 65
65-05 T65 B22	Hospital for the Epileptic and Paralysed. Hemiplegia on the right side, with deficit of speech—death—autopsy. (Under the care of Dr Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1865, ii : 283–284 9 Sept 65
65-06 T65 B21	Lectures on hemiplegia By-line.	<i>Clinical Lectures and Reports by the Medical and Surgical Staff of the London Hospital</i> , 1865, 2 : 297–332 Volume printed 1865

Writings of John Hughlings Jackson

ID	TITLE	PERIODICAL SOURCE
65–07 T63 B26	Observations on defects of sight in diseases of the nervous system By-line.	<i>Royal London Ophthalmic Hospital Reports</i> , 1865, 4 : 389–446 Edition dated 1865
65–08 T63 B26	Observations on defects of sight in diseases of the nervous system By-line	<i>Royal London Ophthalmic Hospital Reports</i> , 1865, 5 : 51–78 Edition dated 1865

1866

ID	TITLE	PERIODICAL SOURCE
66-01 T66	The London Hospital. Clinical remarks on emotional and intellectual language in some cases of disease of the nervous system (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Lancet</i> , 1866, i: 174-176 17 Feb 66
66-02 T66 B29	Note on lateral deviation of the eyes in hemiplegia and in certain epileptiform seizures By-line.	<i>Lancet</i> , 1866, i: 311-312 24 Mar 66
66-03 T66 B30	London Hospital. A case of progressive locomotor ataxy: loss of smell and hearing; defect of sight, with atrophy of the optic discs; varicocele and atrophy of the testes (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Lancet</i> , 1866, i: 345-346 31 Mar 66
66-04 T66 B31	National Hospital for the Epileptic and Paralysed. Clinical remarks on cases of temporary loss of speech and power of expression (epileptic aphemia? Aphrasia? Aphasia?) and on epilepsies (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1866, i: 442-443 28 Apr 66
66-05 T66	National Hospital for the Epileptic and Paralysed. Clinical remarks on the occasional occurrence of subjective sensations of smell in patients who are liable to epileptiform seizures, or who have symptoms of mental derangement, and in others (Under the care of Dr. Hughlings Jackson) Case under the care of HJ	<i>Lancet</i> , 1866, i: 659-660 16 June 66
66-06 T66 B32 SW2, pp. 121-128	Notes on the physiology and pathology of language. Remarks on those cases of disease of the nervous system in which defect of expression is the most striking symptom By-line.	<i>Med Times Gaz</i> , 1866, i: 659-662 23 June 66

Writings of John Hughlings Jackson

ID	TITLE	PERIODICAL SOURCE
66-07 T66 B33	On a case of loss of power of expression; inability to talk, to write, and to read correctly after convulsive attacks By-line.	<i>Br Med J</i> , 1866, ii : 92-94 28 July 66
66-08 T66	Hemiplegia of the left side, with defect of speech By-lined letter.	<i>Med Times Gaz</i> , 1866, ii : 210 25 Aug 66
66-09 T66 B34	Tobacco smoking in diseases of the nervous system. Sex in diseases of the nervous system. The form of amaurosis complicating locomotor ataxy By-line.	<i>Med Times Gaz</i> , 1866, ii : 219-222 1 Sept 66
66-10 T66 B33	On a case of loss of power of expression; inability to talk, to write, and to read correctly after convulsive attacks By-line.	<i>Br Med J</i> , 1866, ii : 326-330 22 Sept 66
66-11 T66 B35	London Hospital. Case of disease of cerebral arteries (syphilitic?); softening of the brain; clinical remarks (Under the care of Dr. Hughlings Jackson) Cases under the care of HJ.	<i>Lancet</i> , 1866, ii : 467-468 27 Oct 66
66-12	Reports of Societies. Harveian Society of London. Oct. 18th, 1866 Report of Hughlings Jackson's comments on a paper on the causes of insanity, by Henry Maudsley.	<i>Br Med J</i> , 1866, ii : 586-590, on p. 587 24 Nov 66
66-13	The National Hospital for the Epileptic and Paralyzed. The electrical room Unsigned, claimed in first person singular at <i>Royal London Ophthalmic Hospital Reports</i> , 1866, 5 : 251-306, on p. 267.	<i>Med Times Gaz</i> , 1866, ii : 583-585 1 Dec 66

Writings of John Hughlings Jackson

ID	TITLE	PERIODICAL SOURCE
66-14 T66 B36	London Hospital. Case of disease of the left side of the brain, involving corpus striatum, etc.; the aphasia of Trousseau; clinical remarks on psychico-physical symptoms (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Lancet</i> , 1866, ii : 605-606 1 Dec 66
66-15 T66 B26	A physician's notes on ophthalmoscopy—cases of disease of the nervous system in which there were defects of smell, sight and hearing By-line.	<i>Royal London Ophthalmic Hospital Reports</i> , 1866, 5 : 251-306 Volume printed 1866
66-16 T66 B27	A lecture on cases of cerebral haemorrhage By-line.	<i>Clinical Lectures and Reports by the Medical and Surgical Staff of the London Hospital</i> , 1866, 3 : 237-258 Volume printed 1866
66-17 T66 B28	Note on the functions of the optic thalamus By-line.	<i>Clinical Lectures and Reports by the Medical and Surgical Staff of the London Hospital</i> , 1866, 3 : 373-377 Volume printed 1866
66-18	Amaurosis. Tumour at the base of the brain—death—autopsy—clinical remarks By-line.	<i>Ophthalmic Rev.</i> , 1866, 2 : 288-290 Volume printed 1866

1867

ID	TITLE	PERIODICAL SOURCE
67-01 T67 B37 SW1, pp. 5-6	Note on the comparison and contrast of regional palsy and spasm By-line.	<i>Lancet</i> , 1867, i: 205 16 Feb 67
67-02 T67 B37 SW1, pp. 5-6	Note on the comparison and contrast of regional palsy and spasm By-line.	<i>Lancet</i> , 1867, i: 295-297 9 Mar 67
67-03 T67 B38	London Hospital. Choreal movements of the right arm and leg in a man seventy-four years of age: clinical remarks on cases of chorea (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Br Med J</i> , 1867, i: 570-572 18 May 67
67-04 T67	The ophthalmoscope in physicians' practice By-lined letter.	<i>Br Med J</i> , 1867, i: 722 15 June 67
67-05	National Hospital for the Epileptic and Paralysed. Notes on cases of diseases of the nervous system (Under the care of Dr. Hughlings Jackson) Case under the care of HJ	<i>Br Med J</i> , 1867, ii: 472-474 23 Nov 67
67-06	National Hospital for the Epileptic and Paralysed. Notes on cases of diseases of the nervous system (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Br Med J</i> , 1867, ii: 499-500 30 Nov 67
67-07 T67 B39	Remarks on the disorderly movements of chorea and convulsion By-line.	<i>Med Times Gaz</i> , 1867, ii: 642-643 24 Dec 67

Writings of John Hughlings Jackson

ID	TITLE	PERIODICAL SOURCE
67-08 T67 B39	Remarks on the disorderly movements of chorea and convulsion, and on localisation By-line.	<i>Med Times Gaz</i> , 1867, ii : 669-670 21 Dec 67
67-09 T67	Note on regional palsy and spasm By-line.	<i>Br Med J</i> , 1867, ii : 587 28 Dec 67
67-10	Notes of hospital cases Cases under the care of HJ, reported by Mr. Frederick Mackenzie.	<i>Royal London Ophthalmic Hospital Reports</i> , 1867, 6 : 50-53 Volume printed 1867
67-11 T67 B40	Cases of disease of the nervous system By-line.	<i>Clinical Lectures and Reports by the Medical and Surgical Staff of the London Hospital</i> , 1867, 4 : 314-394 Volume dated 1867-68
67-12	On a case of muscular atrophy, with disease of the spinal cord and medulla oblongata. By-line: J Lockhart Clarke and J Hughlings Jackson.	<i>Trans Medico-Chirurgical Society of London</i> , series 2, 1867, 32 : 489-499 Received 28 May 67. Read 25 June 67

1868

ID	TITLE	PERIODICAL SOURCE
68-01 T68 B41	On latency of optic neuritis in cerebral disease By-line.	<i>Med Times Gaz</i> , 1868, i : 143 8 Feb 68
68-02	London Hospital. Case of occasional loss of consciousness, with subjective sensations of smell (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1868, i : 231 29 Feb 68
68-03 T68 B42	London Hospital. Aphasia with hemiplegia of the left side (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Lancet</i> , 1868, i : 316 7 May 68
68-04	Hospital for the Epileptic and Paralysed. The ophthalmoscope in physicians' practice: Clinical remarks on cases of optic neuritis in brain-disease (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Br Med J</i> , 1868, i : 300 28 Mar 68
68-05 T68	Defect of intellectual expression (aphasia) with left hemiplegia By-lined letter.	<i>Lancet</i> , 1868, i : 457 4 Apr 68
68-06 T68	The London Hospital. Case of severe brain disease with double optic neuritis (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Med Times Gaz</i> , 1868, i : 392 17 Apr 68
68-07 T68 B44	National Hospital for the Epileptic and Paralysed. Case of convulsive attacks arrested by stopping the aura (Under the care of Dr. Hughlings Jackson) Case under the care of HJ.	<i>Lancet</i> , 1868, i : 618-619 16 May 68
