Classic Works for Readers Today

AREOPAGITICA AND OTHER POLITICAL WRITINGS OF JOHN MILTON

Foreword by John Alvis

As poet, statesman, and pamphleteer, John Milton remains one of the singular champions of liberty in the annals of history. Even in his meditations on theology Milton strove to demonstrate that liberty—of conscience—is one of the inviolable rights of free peoples. In his theological writings he seeks to unite ancient philosophy and the authority of the Judeo-Christian scriptures to support the concept of free, republican government. During the crises that wracked English life and liberties during the seventeenth century, Milton's was one of the indispensable voices and pens. He published several revolutionary manifestos, two works defending regicide, and of course the famous *Areopagitica* or defense of freedom of expression and the press against censorship. John Alvis has collected into a superb one-volume edition all of Milton's political writings of enduring importance. These include the entirety of *Areopagitica*, *The Tenure of Kings and Magistrates*, *A Defence of the People of England*, *The Second Defence of the People of England*, *The Readie and Easie Way to Establish a Free Commonwealth*, and *Mr. John Milton's Character of the Long Parliament*.

John Milton (1608–1674) was the author also of *Paradise Lost* and *Paradise Regained* and served as Latin secretary to Oliver Cromwell during the Commonwealth.

John Alvis is Professor of English at the University of Dallas and the Institute for Philosophic Studies.

456 + xvi pages. Foreword, note on the text, index.

GUARDED BY MYSTERY

Meaning in a Postmodern Age
David Walsh

"Walsh's searching meditation on the heights and depths of human existence is a philosopher's illumination of reality of rare beauty and power. It ranges from politics to faith to the arts to find glimmers of hope and unsuspected sources of succor for a time out of joint. . . .

An exceptional book by a brilliant thinker. . . ."—*ELLIS SANDOZ, Louisiana State University*
Paper, \$19.95; Cloth, \$39.95

THEORIES OF WORLD GOVERNANCE

A Study in the History of Ideas
Cornelius F. Murphy, Jr.

Murphy traces the various conceptual approaches to world harmony from the close of the Middle Ages to today. The book covers a wide range of disciplines—from theology and philosophy to jurisprudence, ethics, and sociology.

"A brilliantly coherent overview. . . ."—*RICHARD FALK, Princeton University*
Paper, \$24.95; Cloth, \$44.95

RELIGION, POLITICS, AND PEACE

Leroy S. Rouner, Editor

RELIGION, POLITICS, AND PEACE

Leroy S. Rouner, Editor

Contributors grapple with the paradoxes that US politics and religion are tightly intertwined despite the official policy of separation of church and state, and that religion is the leading cause of both war and the stopping of war worldwide.

New from Princeton

John Stuart Mill on Liberty and Control

Joseph Hamburger

John Stuart Mill is one of the hallowed figures of the liberal tradition, revered for his defense of liberal principles and expansive personal liberty. By examining Mill's arguments in *On Liberty* in light of his other writings, however, Joseph Hamburger reveals a Mill very different from the "saint of rationalism." He shows that Mill, far from being an advocate of a maximum degree of liberty, was an advocate of liberty and control—a degree of control ultimately incompatible with liberal ideals.

This clearly written and forcefully argued book is a major reinterpretation of Mill's ideas and intellectual legacy.

Cloth \$35.00 ISBN 0-691-00717-9

The Populist Paradox

Interest Group Influence and the Promise
of Direct Legislation

Elisabeth R. Gerber

Do small but wealthy interest groups influence referendums, ballot initiatives, and other forms of direct legislation at the expense of the broader public interest? Elisabeth Gerber finds that this is not the case. In this first systematic study of how money and interest group power actually affect direct legislation, she reveals that big spending does not necessarily mean big influence at the ballot box.

This is a major contribution to our understanding of the role of citizens and organized interests in the American legislative process.
