**THE UNITED STATES, REVOLUTIONARY RUSSIA, AND  
THE RISE OF CZECHOSLOVAKIA**

by Betty Miller Unterberger

Traces the intricate role of the United States in the dissolution of the Austro-Hungarian Empire and presents the struggle for Czechoslovak self-determination within the context of two of the most cataclysmic events of the twentieth century—the First World War and the Bolshevik revolution.

480 pp., \$47.50

Supplementary Volumes to The Papers of Woodrow Wilson

**OLD WOUNDS**

Jews, Ukrainians and the Hunt for Nazi War Criminals in Canada

by Harold Troper and Morton Weinfeld

With a New Introduction by the Authors

Documents forty years of willfull government inaction against Nazi war criminals and collaborators who found haven in Canada after World War II. *Old Wounds* recalls the efforts by Canadian Jewry to focus attention on these Nazis and explores the tensions generated between Jews and others of eastern European origin.

472 pp., \$29.95

REVISED AND EXPANDED EDITION

# LET HISTORY JUDGE

THE ORIGINS AND CONSEQUENCES OF STALINISM

# ROY MEDVEDEV

Edited and Translated by George Sbriver

**T**wenty years ago, Roy Medvedev was under surveillance by the Soviet government after writing the first edition.

**Ten years ago**, his files were confiscated.

**But in 1987**, he responded to Mikhail Gorbachev's call to fill in Soviet history's "blank spots."

**Today**, Roy Medvedev has been elected to the Congress of People's Deputies and has completely revised and updated his classic work with new and startling facts. Excerpts are appearing in the Soviet press.

**Read the complete story.**

**TIME** calls it—

***“Momentous... so rich in documentation, so scrupulous as scholarship and, above all, so barrowingly vivid... All existing portraits of Stalin, even one drawn by a great novelist like Alexander Solzhenitsyn, seem bland in comparison with the real-life killer who charges through the pages of Let History Judge.”***

To order, write to the address below, or call (914) 591-9111.

# DUKE

New this fall from Duke University Press

**War on War  
Lenin, the Zimmer-  
wald Left, and the  
Origins of Commu-  
nist Internationalism**

R. Craig Nation  
“*War on War* is the most comprehensive study to date on the great socialist struggle against war that began at the Zimmerwald Conference in 1915. Dismissed by contemporaries and all too many historians as a mere defeatist grouplet of the Second International, the Zimmerwald Left led by Lenin emerges in Nation’s book as a noble if doomed tendency within European social democracy.”  
—Woodford McClellan, University of Virginia

304 pages, notes,  
bibliography, index.  
ISBN 0-8223-0944-0,  
\$45.00

**Romania and the  
Great Powers,  
1933-1940**

Dov Lungu  
“Dr. Lungu is the first Western historian to have had access to the Romanian archives. His integration of the Romanian evidence with the archival evidence of Britain, France, Germany, and Italy makes *Romania and the Great Powers* essential reading for the understanding of the history of the 1930s and the origins of World War II in Europe.”  
—D. Cameron Watt,  
London School of  
Economics and  
Political Science

## **NEW FROM CALIFORNIA**

### **The Eternal Moment**

**The Poetry of Czeslaw Milosz**  
**ALEKSANDER FIUT**

Translated by Theodosia S. Robertson

Fiut examines crucial problems such as Milosz's search for the essence of human nature, the poet's reflection on the erosion of the Christian imagination and his attempt to recreate in his poetry a language that is both poetic and philosophical.

\$25.00

### **Culture of the Future**

**The Proletkult Movement in Revolutionary Russia**

**LYNN MALLY**

"Mally's book moves the study of an important revolutionary cultural experiment from the realm of selective textual analysis to wide-ranging social and institutional history. It reveals vividly the social-cultural tensions and values inherent in the Russian revolutionary period."

—Richard Stites, Georgetown University

*Studies on the History of Society and Culture*, 9

\$37.50

### **The Origins of Backwardness in Eastern Europe**

**Economics and Politics from the Middle Ages until the Early  
Twentieth Century**

Edited by **DANIEL CHIROT**

Reaching back centuries, this study makes a convincing case for very deep roots of current Eastern European backwardness. Its conclusions are suggestive for comparativists studying other parts of the world, and useful to those who want to understand contemporary Eastern Europe's past.

\$35.00

### **Leningrad**

**Shaping a Soviet City**

**BLAIR A. RUBLE**

Ruble explores the ways in which local and regional political, economic, and cultural leaders in Leningrad determine the physical and socioeconomic contours of their city and region within such a centralized economic and political environment.

SOVIET STUDIES FROM PRINCETON

*New in paperback*

# Soviet-American Relations, 1917–1920

*George F. Kennan*

---

## **Volume I: Russia Leaves the War**

This Pulitzer Prize winning work explores the complexities of the Soviet-American relationship between the November Revolution of 1917 and Russia's final departure in March 1918 from the ranks of the warring powers. George F. Kennan opens the way to an understanding not only of these events but of the subsequent pattern of Soviet-American relations and the complex process of international diplomacy generally.  
Now in paper: \$14.95 ISBN 0-691-00841-8

## **Volume II: The Decision to Intervene**

In 1918 the U.S. government decided to involve itself with the Russian Revolution by sending troops to Siberia. This book re-creates that unhappily memorable story. Of this period Kennan writes, "Never, surely, in the history of American diplomacy, has so much been paid for so little."  
Now in paper: \$14.95 ISBN 0-691-00842-6  
Set: \$26.95 ISBN 0-691-00847-7

## The Menshevik Leaders in the Russian Revolution

Social Realities and Political Strategies

*Ziva Galili*

At the end of February 1917 the tsarist government of Russia collapsed in a whirlwind of demonstrations by the workers and soldiers of Petrograd. Ziva Galili tells how the moderate socialists, or Mensheviks, then attempted to prevent the conflicts between the newly formed liberal Provisional Government and the Petrograd Soviet from escalating into civil war—and how, in October of that same year, they finally failed. Placing narrative history in a broad social and political context, she creates an absorbing study of idealists who tried in vain to reflect as well as to contain the unfolding revolutionary process.

Cloth: \$37.50 ISBN 0-691-05567-X

## Iuzovka and Revolution

Volume I: Life and Work in Russia's Donbass, 1869–1924

*Theodore H. Friedgut*

In 1870 the Welsh ironmaster John James Hughes left his successful career in England and settled in the barren and underpopulated Donbass region of the Ukrainian steppe to found the town of Iuzovka and build a large steel plant and coal mine. Theodore Friedgut tells the remarkable story of the subsequent economic and social development of the Donbass, an area that grew to supply seventy percent of the Russian Empire's coal and iron by World War I. This first volume of a planned two-volume study focuses on the social and economic development of the Donbass, while the second volume will be devoted to political analysis.

Cloth: \$45.00 ISBN 0-691-05554-8

## Strikes and Revolution in Russia, 1917

*Diane P. Koenker and William G. Rosenberg*

*Strikes and Revolution in Russia, 1917* is the first effort in any language to explore the first successful workers' revolution in both quantitative and qualitative terms and to relate strikes to the broader processes of Russia's revolutionary transformation. Diane Koenker and William Rosenberg not only provide a new basis for understanding essential elements of Russia's social and political history in this critical period but also make a strong contribution to the literature on European labor movements.

Cloth: \$40.00 ISBN 0-691-05578-5

## THE INDUSTRIALIZATION OF SOVIET RUSSIA,

Volume III: The Soviet  
Economy in Turmoil,  
1929-1930

**R.W. Davies**

In the "spinal year" of the first five-year plan, a vast investment program began the transformation of the Soviet Union from a peasant country into a great industrial power. This third volume of the unrivaled series *The Industrialization of Soviet Russia* reexamines the breakdown of the mixed economy, shedding new light on a dramatic moment in Soviet history and in the formation of the Soviet system.

### **Praise for the series:**

"Eminently readable...the books can be profitably read by the non-specialist and specialist alike...A major contribution to the search for a fuller understanding of the roots of domestic Stalinism and the problems of Soviet agriculture."

—Robert F. Miller, *Soviet Studies*  
600 pages/\$69.50 cloth

## COLLECTED WORKS OF VELIMIR KHEBNIKOV

Volume II: Prose, Plays,  
and Supersagas

**Translated by  
Paul Schmidt**

**Edited by Ronald Vroon**

Khlebnikov, who died in 1922 at the age of 36, is one of the great innovators of literary modernism. The second volume of the *Collected Works* consists of his fiction (35 short stories, dreams, mysteries, and fanciful folktales), his plays, and his unique supersagas, a syncretic genre he created to encompass his iconoclastic view of the world. Paul Schmidt's are the first translations of these works into English.

### TO THOSE WISHING TO SUBMIT MANUSCRIPTS

Manuscripts for consideration should be submitted in four double-spaced typed copies. (If manuscripts are computer generated, they should be letter quality or near letter quality. Continuous form sheets must be separated.) Notes and block quotations should also be double-spaced; Notes should be placed at the end of the article and not at the bottoms of pages. Manuscripts are sent to readers anonymously and should be prepared accordingly. Library of Congress transliteration and the *Chicago Manual of Style* are to be followed. In general articles should not exceed twenty-five pages 8½" × 11" in dimension—including endnotes. Manuscripts will not be returned unless postage is included; please do not send checks.

The policy of the *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

Publication of articles in the *Slavic Review* is ordinarily limited to those submitted by members of AAASS. Nonmembers wishing to submit manuscripts are asked to request a membership application.
