- ŠIFRER, M. Snežišča v Kamniških Alпах [Snowfields in the Kamnik Alps]. *Geografski Žbornik*, [Vol.] 6, 1961, p. 271-86. [Systematic survey of snowfields in Kamnik Alps and comparison with state in 1874-76. English summary.]

ERRATUM

Vol. 5, No. 38, p. 221, caption to Fig. 2:

For "Early spring condition"
read "Late summer condition".

DUPLICATE PAPERS

Some duplicate papers in the Society's Library are still available for distribution to members. Application for a list of these should be made to the Editor at Little Dane, Biddenden, Ashford, Kent, England.
