*Theatre Research International* is the continuation of *Theatre Research/Recherches Théâtrales*. The change of title marks the assumption by Oxford University Press of responsibility for publication. The new title also indicates that the association with the International Federation for Theatre Research/Fédération Internationale pour la Recherche Théâtrale, which founded the journal, will remain. Bilingualism has not been entirely abandoned: contributions appear only in English, but articles are provided with *résumés* in French. The field continues to be the historical, critical and theoretical study of documentation of drama, conceived as the art of the theatre.

New readers might like to learn that the motif on our cover was designed by Josef Svoboda for *Theatre Research/Recherches Théâtrales* in 1966 and presented to the International Federation for Theatre Research/Fédération Internationale pour la Recherche Théâtrale.

Grateful acknowledgement of financial support is made to the Universities of Glasgow and California, Davis.

*Theatre Research International* is published three times a year, in January, May and October at a price of £25.00 (UK £21.00, N. Amer. \$45.00) p.a., with single issues at £9.00 (UK £8.00, N. Amer. \$18.00). All dispatches post free (by accelerated surface post to the USA, Canada and Japan). Orders should be placed with a bookseller or sent direct to Journals Subscriptions Department, Oxford University Press, Walton Street, Oxford OX2 6DP, UK.
