

Kodaly Choral Method

GENERAL PRICE REDUCTION

Due to widespread adoption of the Kodály Choral Method throughout the English-speaking world, many of the constituent volumes are being re-issued with a completely revised English text. All the volumes will be presented in a more economical form thereby affording the publishers a welcome opportunity to reduce prices as the new editions become available.

For further information, including details of the German, French and Spanish editions, write to the Educational Music Department.

**Boosey & Hawkes 295 Regent Street
London W1A 1BR**

Write for the free explanatory brochure (above) which describes the principles of the method

YOUTH ORCHESTRA SERIES

A new series of modern orchestral pieces written for orchestras of young people both in school and out. In order to exploit both colour and texture in the writing, these pieces are not cross-cued.
