CONTRIBUTIONS

Contributions are invited from all over the world, and especially from scholars working in African universities. Articles written in languages other than English will be considered on their merits, and where necessary translation will be arranged. The average length suggested is 4,000 to 6,000 words, with occasional exceptions of up to 10,000 words. Initially, one *copy* should be submitted, and not the original typescript.

All correspondence and contributions should be addressed to

DR DAVID KIMBLE, Editor of J.M.A.S.,
VICE-CHANCELLOR OF THE UNIVERSITY OF MALAWI,
P.O. BOX 278, ZOMBA, MALAWI

Each contributor will receive a copy of the number and 25 offprints of his article free of charge.

Contributors to this *Journal* express their own opinions, which should not be interpreted as the official view of any institution or organisation with which they may be connected.
