A History of India

by **J. C. POWELL-PRICE**

'The author handles his complex subject with a clarity and precision which enables the general reader to find his way successfully through the maze of dynasties and races which, in less competent hands might well prove a fatal stumbling block. . . . Special attention has been paid throughout to the progress of literature and art. An outstanding feature is the large number of illustrations. These are superbly reproduced.' *The Listener* 42s
