## Editorial Board

Council of the Royal Aeronautical Society has appointed a new and enlarged Editorial Board with responsibility for all of the Society's publications. Accordingly the duties of the Editorial Board of the Aeronautical Quarterly have been taken over by the new Board, and the Hon. Editor would like to take this opportunity to thank the distinguished members of his Board for their advice and guidance over many years, many of them having served on the Board since the inception of the Quarterly.

## Editorial Referees

It has been decided to omit the full list of referees, previously appearing on this page, and instead to acknowledge from time to time the help of those referees who have advised the editor during the previous year. A list of these appeared in the August 1981 issue.
