THE JOURNAL OF NAVIGATION

The *Journal* is published three times a year by Oxford University Press and is edited by Professor J. F. Kemp. It contains original papers contributing to the science of navigation, including those presented at the meetings of the Institute together with the ensuing discussion. In addition the *Journal* includes a record of current navigational work, reviews of important books, and other matters of concern to those interested in navigation. The views expressed in the *Journal* are not necessarily those of the Institute, or of any organization or department to which the authors may belong. Crown Copyright may be reserved.

The *Journal* (ISSN 0020-3009) is issued free to all Members of the Institute. The subscription price to non-members for Volume 40, 1987, is £43 (USA and Canada US \$100.00) post free; single parts are available at £16 (USA and Canada US \$36) plus postage. Orders, which must be accompanied by payment, may be sent to any bookseller or subscription agent or direct to the publishers, Journals Subscription Department, Oxford University Press, Walton Street, Oxford OX2 6DP. Back volumes are also available from the publishers at £27 each.

Enquiries for advertising space should be addressed to the Journals Advertising Coordinator, Journals Production Dept., Oxford University Press at the address given above.
