## THE CITY IN RUSSIAN HISTORY

*Michael F. Hamm, editor*

This collection of essays examines the Russian city in the preindustrial period, the 19th century, and the Soviet period from the perspectives of history, geography, political science, architecture and sociology. Including a variety of investigative approaches to urban development, it encompasses both comprehensive studies of historical trends and case studies of particular cities and regions.

# RUSSIA UNDER THE OLD REGIME

**Richard Pipes**

"A brilliant and provocative analysis . . . a study in depth—learned, judicious, witty and full of common sense—in which the wisdom of the standard authorities blends with new insights gained from a knowledge of total power as it manifests itself in our own era."

—*The Times Literary Supplement*

"Marvelously lucid, penetratingly intelligent, highly readable."

## THE EMANCIPATION OF THE RUSSIAN NOBILITY, 1762-1785 ROBERT E. JONES

Catherine the Great's treatment of the Russian nobility has usually been regarded as dictated by court politics or her personal predilections. Citing new archival sources, Robert Jones shows that her redefinition and reorganization of the Russian nobility were in fact motivated by reasons of state.

"Robert E. Jones has given us the freshest and most intelligent book on Catherine II and the Russian nobility to appear in English in a long time."  
—*The Russian Review*

"A novel and highly persuasive review. . . . Professor Jones has given us a fresh and well-developed interpretation of the relationship between the state and the nobility." —*The Times Literary Supplement*

"Based on extensive research into Russian state archives as well as published sources, this is a provocative study that will certainly become a standard."

## DIPLOMACY OF DOUBLE MORALITY:

### Europe's Crossroads in Carpatho-Ukraine, 1919-1939

PETER G. STERCHO, *Drexel University*

- Presents undistortedly the struggle of the Ukrainian people of Carpatho-Ukraine for their freedom and against encroachments upon their national liberty by their neighbors.
- Those interested in the history of the 1938-1939 crisis will enjoy penetrating analysis of the attitude of Hitler, Horthy, Mussolini, Stalin, Moscicki, Beneš, Chamberlain, Daladier, King Carol of Rumania, and others.
- This unique publication should be a "must" on the reading list of students and scholars interested in East European affairs.
