FACULTY OF MEDICINE AND DENTISTRY

BOARD OF POSTGRADUATE MEDICAL AND DENTAL EDUCATION
COURSE IN ENDOSCOPIC SINUS SURGERY

to be held at

The Medical School, University of Birmingham

on

Monday 5 September to Wednesday 7 September, 1988

This course is based on the well-established and successful course on this subject which has been held for several years at the Johns Hopkins Hospital, Baltimore; in addition to including a full theoretical cover of the subject, there will be surgical demonstrations, videos and excellent facilities for practising techniques on cadavers.

The international faculty will include members of the Johns Hopkins teaching staff. This Course is designed to give a practical and comprehensive survey of this new type of rhinological surgery to the practising Ear, Nose and Throat Surgeon.

This Course makes very heavy demands on surgical equipment and cadavers and consequently the numbers who can be accommodated is limited.

Early application is advisable.

The Course Fee is £325.

Accommodation, if required, is available at a nearby University Hall of Residence at a small extra cost.

Information can be obtained from:

Mrs Sue Armitage,
Administrative Assistant,
Board of Postgraduate Medical & Dental Education,
