

Drugs and Crime

Edited by Michael Tonry
and James Q. Wilson

Drugs and Crime illuminates the complex relations between drug use and crime and the formidable challenges they pose. Evaluating various public policies of prevention, treatment, and law enforcement, the contributors offer dynamic analyses of what are traditionally (and sometimes ambiguously) seen as supply-reducing and demand-reducing strategies. The authors of these ten commissioned essays show why some popular remedies (such as certain kinds of drug education and efforts to curtail international smuggling) may not be effective. Without proposing magical solutions, they describe the most promising approaches to one of America's worst social problems.

Because of the far-reaching impact of this difficult problem, *Drugs and Crime* will be a welcome review of current research for scholars of public policy, sociology, psychology, criminology, and legal studies.

Ethics

Making you part of an international forum on philosophical issues

- **with contributions from some of the best minds in the field**

Now in its tenth decade, *Ethics* has published classic works by such renowned authors as F. H. Bradley, John Dewey, William James, G. E. Moore, A. C. Pigou, Bertrand Russell, and Henry Sidgwick. *Ethics* maintains this tradition of quality scholarship by bringing you thought-provoking essays and rigorous commentary to stimulate your own work.

- **with its interdisciplinary approach**

An international journal of social, political, and legal philosophy, *Ethics* is devoted to the study of the ideas and principles that form the basis for individual and collective action. In each issue you'll find works from a wide range of disciplines and intellectual perspectives, including

moral philosophy	political theory
social philosophy	philosophy of law
public policy	normative economics
religious ethics	social and rational choice theory

- **with the sharp focus of special issues**

With its frequent symposia and special issues, *Ethics* allows you to explore topics of interest in an in-depth manner. Among the subjects of past and forthcoming special issues:

Morality and Literature (1988)
Duties beyond Borders (1988)
Feminism and Political Theory (1989)
John Rawls's Theory of Justice (1989)
