

Call for Abstracts

The XXIst Canadian Congress of
Neurological Sciences
London, Canada
24-28 June 1986

**ABSTRACTS FOR SCIENTIFIC PAPERS AND POSTERS**

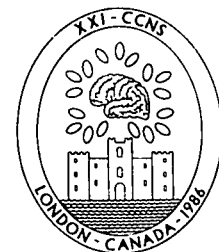

1. Abstracts for the Scientific Programme must be submitted on the official Congress Abstract Form. This form, and accompanying information, will be mailed in early November to all members of the societies participating in the Congress. Others should request the CALL FOR ABSTRACTS from the Congress Office.
2. Work presented in abstracts must conform with MRC guidelines for experimental procedures.
3. Scientific material presented at this meeting should not have been published or presented at other national or international meetings.
4. It is suggested that presentations emphasize the significance of the results and general principles involved rather than ordinary methods and procedures.
5. **ABSTRACTS MUST BE POST-MARKED BY 1st FEBRUARY 1986.**
6. Abstracts accepted for presentation will be published in the Canadian Journal of Neurological Sciences.

FOR FURTHER INFORMATION CONTACT:

Dr. Paul E. Cooper
Local Arrangements Chairman,
XXI CCNS Office, Room 1-360,
St. Joseph's Hospital,
268 Grosvenor Street,
London, Ontario N6A 4V2

Demande de Résumés

Le XXIIème Congrès Canadien des
Sciences Neurologiques
London, Canada
24-28 juin 1986

**RESUMES DES PRESENTATIONS SCIENTIFIQUES ET DES AFFICHES**

1. Les résumés pour le Programme Scientifique doivent être soumis sur la formule officielle du Congrès pour les résumés. Cette formule, ainsi que certaines informations, seront postées au début de novembre à tous les membres des sociétés qui participent au Congrès. Tous les autres devront demander la formule de DEMANDE DE RESUMES au Bureau du Congrès.
2. Le travail présenté au cours des résumés doit se conformer aux principes directeurs du MRC pour les procédés expérimentaux.
3. La matière scientifique présentée à cette conférence ne doit pas avoir été publiée ou présentée à d'autres rencontres nationales ou internationales.
4. Il est suggéré que les présentations mettent l'emphase sur la signification des résultats et des principes généraux impliqués plutôt que sur des méthodes et des procédés ordinaires.
5. **LES RESUMES DOIVENT ETRE POSTES PAR LE 1^{er} FEVRIER 1986.**
6. Les résumés acceptés pour des présentations seront publiés dans le Canadian Journal of Neurological Sciences.

**THE ROYAL COLLEGE OF
PHYSICIANS AND SURGEONS OF CANADA**

with the co-operation of the Canadian Neurosurgical Society

announces

THE 1986 K.G. McKENZIE MEMORIAL AWARDS

to honour the memory of
Canada's pioneer neurosurgeon

AWARD 1. A citation and prize of \$1,000.00 will be awarded for the best paper presented to the annual meeting of the Canadian Neurosurgical Society, by a neurosurgical resident in which he is the principal author. The recipient will have his expenses, including air fare, hotel accommodation and registration fees, paid for as part of the Award.

AWARD 2. A grant-in-aid will be awarded to support a specific educational project which may include travel. However, travel to regularly scheduled neurosurgical meetings is excluded. The applicant must be a resident in training in a Canadian Neurosurgical Training Program, or if formal training is completed, within two years of having received certification in neurosurgery.

APPLICATIONS FOR AWARD 1.

The completed *manuscript* must be sent to the Chairman of the K.G. McKenzie Memorial Awards Committee at the address below by March 1, 1986.

APPLICATIONS FOR AWARD 2.

Applicants should forward a comprehensive letter to the Chairman of the Awards Committee by January 15, 1986. The application should contain relevant personal information, a clear description of the educational project which is contemplated, and its purpose, and any supporting letters the applicant may wish to submit. The successful applicant will be notified by April 1, 1986.

MANUSCRIPTS AND APPLICATIONS SHOULD BE SENT TO:

Dr. Bryce Weir, Chairman
K.G. McKenzie Memorial Awards Committee
11-102 Clinical Sciences Building
University of Alberta
Edmonton, Alberta T6G 2G3
