"The principal contribution of this volume is twofold. First, it corrects the traditional notion that associates the beginnings of the Cold War with the aftermath of the World War in Europe. Careful examination of developments in Greece, Iran, and Turkey suggests that the Cold War actually originated in the Middle East during the War. Second, free from ideological bias, the author poses an effective challenge to

historical revisionism with respect to the origins of Soviet-American rivalry. This scholarly, solid, and useful study should interest students of international politics, American foreign policy, and the Middle East whether or not they agree with the author's interpretations."

CAMBRIDGE

Slaves on Horses

The Evolution of the Islamic Policy

Patricia Crone

Dr. Crone attempts to explain why Muslim rulers place military and political power in the hands of imported slaves. Concentrating on the period from the rise of the Umayyads to the dissolution of the Abbasid Empire, she documents the consequences of the fusion between religion and politics in Islam which she sees as an essential forging characteristic of the Muslim social structure and state. \$39.50

Church and Society in the Last Centuries of Byzantium

Donald M. Nicol

Professor Nicol examines the achievement of the late Byzantine scholars and the contribution of the empire's latter-day saints, both to Byzantine life and to posterity. \$19.95

Arabic Grammar

A First Workbook

G. M. Wickens

In this textbook designed to guide the beginning student through the difficult early stages of learning Arabic, Professor Wickens shows various ways of recognizing and dealing with recurring problems, presents detailed analyses and explanations, and uses authentic Arabic from a variety of modern and medieval sources in the examples. Hardcover \$29.95 Paper \$12.95

Dictionary of Khotan Saka

Sir Harold Bailey

Representing the fulfillment of Bailey's plan which required the editing and transcription of the manuscripts and the slow elucidation of the whole corpus of texts, the dictionary contains a linguistic analysis and translation of all words used in the texts. \$175.00

The Old Social Classes and the Revolutionary Movements of Iraq

A Study of Iraq's Old Landed and Commercial Classes and of Its Communists, Ba'thists, and Free Officers

Hanna Batatu

"This is surely one of the most remarkable pieces of modern historical research I have read."

—*Robert Fernea,*
University of Texas

This comprehensive study analyzes the traditional elite of Iraq and their successors—the Communists, Ba'thists, and Free Officers—in terms of social relationships in each

area of the country. Hanna Batatu draws on secret government documents and interviews with key figures, both in power and in prison, to produce the most detailed study of Iraqi politics ever published. *Princeton Studies on the Near East*
