

BULLETIN of ENTOMOLOGICAL RESEARCH  
SUPPLEMENT SERIES

*Supplement No. 1*

Management of pyrethroid and  
endosulfan resistance in *Helicoverpa armigera*  
(Lepidoptera: Noctuidae) in Australia

Neil W. Forrester, Matthew Cahill, Lisa J. Bird and Jacquelyn K. Layland

International Institute of Entomology

AN INSTITUTE OF *CAB International*

# Bulletin of Entomological Research

The *Bulletin of Entomological Research* is a quarterly journal published by CAB International and edited by the CAB International Institute of Entomology. The Supplement series is published occasionally.

## Supplement Series Editor

Annette K. Walker

International Institute of Entomology, 56 Queen's Gate, London, SW7 5JR, UK. (Tel: 071 584 0067, 071 938 9307. Fax: 071 938 9309. Telex: 9312102251 IE G. Email: CGNET: CABI-IIE. INTERNET: CABI-IIE@CGNET.COM)

## Series Editorial Board

R. Blackman, The Natural History Museum, London, UK.

A.G. Cook, Natural Resources Institute, Chatham, UK.

C.P. Haines, Natural Resources Institute, Chatham, UK.

M.J.R. Hall, Natural History Museum, London, UK.

J.D. Holloway, International Institute of Entomology, London, UK.

S.R. Leather, Imperial College at Silwood Park, Ascot, UK.

N.J. Mills, University of California, Albany, USA.

A.R. McCaffery, University of Reading, Reading, UK.

S.E. Reynolds, University of Bath, Bath, UK.

H. Townson, Liverpool School of Tropical Medicine, Liverpool, UK.

A. Polaszek, International Institute of Entomology, London, UK.

## Series Advisory Board

T.N. Ananthakrishnan, Entomology Research Institute, Loyola College, Madras, India.

R. Gámez, Instituto Nacional de Biodiversidad, Costa Rica.

R.P. Lane, Natural History Museum, London, UK.

J.F. Longworth, Department of Scientific and Industrial Research, Auckland, New Zealand.

O. Mochida, National Agriculture Research Centre, Japan.

B. Napompeth, National Biological Control Research Center, Bangkok, Thailand.

T.R. Odhiambo, International Centre of Insect Physiology and Ecology, Nairobi, Kenya.

I.D. Oka, Bogor Research Institute for Food Crops, Bogor, Indonesia.

G.H.L. Rothschild, Australian Center for International Agricultural Research, Canberra, Australia.

**The supplement series of the Bulletin of Entomological Research is issued free to subscribers of the *Bulletin of Entomological Research* and is distributed at no extra cost with a Bulletin issue. The supplement will be published on an occasional basis.**

Orders and enquiries concerning sales of individual supplements or subscriptions to the *Bulletin of Entomological Research* should be sent to:

# Contents

List of Authors .....	iv
Acknowledgements .....	v
Prologue .....	vi
Abstract .....	vii
Sections	
1. The Australian insecticide resistance management strategy .....	1
2. Evaluation of the impact of the strategy on pyrethroid and endosulfan resistance: discriminating dose studies .....	5
3. Evaluation of the impact of the strategy on pyrethroid resistance: F1 analyses ....	21
4. Pyrethroid and endosulfan resistance: selection and cross resistance studies .....	28
5. Pyrethroid and endosulfan resistance: biology of resistant and susceptible larvae and pupae .....	36
6. Pyrethroid resistance: field selection in sorghum .....	43
7. Pyrethroid resistance: selection of adults .....	46
8. Pyrethroid resistance: field resistance mechanisms .....	54
9. Pyrethroid resistance: synergists .....	62
10. Pyrethroid resistance: resistance breaking pyrethroids .....	83
Discussion .....	97
Epilogue .....	99
Appendix 1. Rearing methods for <i>Helicoverpa</i> spp. ....	100
Appendix 2. Base line susceptibility data for <i>Helicoverpa</i> spp. and calibration of discriminating doses .....	102
Appendix 3. Insecticide use surveys .....	108
Appendix 4. Pyrethroid and endosulfan resistance in <i>Helicoverpa punctigera</i> : field and laboratory studies .....	115
References .....	120
