

## General notes

### THE TWJ FOUNDATION

The Trustees of the TWJ Foundation invite  
applications  
for

### TWO OTOLOGICAL TRAVELLING FELLOWSHIPS

To ENABLE the holders to visit Los Angeles and another Otological Centre in America for two weeks in January, 1976.

Applicants must be Fellows of one of the Royal Colleges of Surgeons and have been recently appointed as Consultant Otolaryngologists in the National Health Service.

Further details concerning applications should be obtained *now* from,  
The Trustees of the TWJ Foundation  
2 West Road,  
Guildford,  
Surrey.

The closing date for formal applications will be 15th August, 1975.

---

### ANNUAL OTOLARYNGOLOGIC ASSEMBLY

8 TO 14 NOVEMBER 1975

THE ANNUAL OTOLARYNGOLOGIC ASSEMBLY OF 1975 will be held from 8 to 14 November 1975 in the Eye and Ear Infirmary of the University of Illinois Hospital. The Department of Otolaryngology of the Abraham Lincoln School of Medicine, University of Illinois at the Medical Center, offers a condensed basic and clinical programme for practicing otolaryngologists under the direction of Emanuel M. Skolnik, M.D., with Burton J. Soboroff, M.D., as co-chairman. This programme is designed to bring to specialists current information in medical and surgical otorhinolaryngology.

Interested otolaryngologists should direct their inquiries to the mailing address: Otolaryngology, P.O. Box 6998, Chicago IL 60680.

---

A separate, but correlated course, 'CONFERENCE ON RADIOLOGY IN OTOLARYNGOLOGY AND OPHTHALMOLOGY' will be held this year on Friday and Saturday, 28 and 29 November, under the guidance of Galdino E. Valvassori, M.D. For further information about the radiology conference, write to Professor Valvassori, Radiology Department, Abraham Lincoln School of Medicine, P.O. Box 6998, Chicago IL 60680.

**General notes**  
**COURSE FOR POSTGRADUATE DIPLOMA IN**  
**AUDIOLOGY**

A **FULL-TIME** one-year course in Audiology for a Post Graduate Diploma at the University of Melbourne will commence in February, 1976.

The course of instruction in audiology will be conducted at the University of Melbourne in the Department of Otolaryngology and in close association with clinics at the Royal Victorian Eye and Ear Hospital, the Royal Children's Hospital, the National Acoustic Laboratories and the State Health Department, Melbourne.

It will consist of a comprehensive series of lectures, demonstrations, seminars and tutorials on audiology, and the physical and biological sciences associated with it, and will include clinical work in all areas of audiology. Instruction in the basic sciences will cover acoustics, anatomy, biophysics, linguistics, physiology and psychology. Instruction in audiology will cover audiometry, auditory training, communication disorders, general audiology, geriatric audiology, hearing aids, industrial audiology, otolaryngology, paediatric audiology, and parent guidance.

Applications for the course in 1976 will close on 1st December, 1975.

A syllabus and further details may be obtained from:

The Secretary, Audiology,  
The Department of Otolaryngology,  
University of Melbourne,  
Parkville 3052,  
Victoria, AUSTRALIA.

---

**ADVANCED COURSE IN PAEDIATRIC ASPECTS**  
**OF OTOLARYNGOLOGY**

A **ONE-WEEK** course in the paediatric aspects of otolaryngology will be held at the Institute of Child Health, from 10 to 14 November 1975, in association with the Institutes of Laryngology and Otology. It will include visits to units at several of the London teaching hospitals specializing in paediatric intensive care and audiological management.

Applications are invited from consultants, senior registrars, or those with a corresponding academic appointment. The number of participants will be limited. The fee for the course will be £45, and the course is accepted under the Department of Health Advanced Postgraduate Training Scheme. (Ref. STM(74) 39).

Application forms are available from the Dean, Institute of Child Health, 30 Guilford Street, London, WC1N 1EH. The closing date for applications is *3 October 1975*.

General notes  
ANNOUNCEMENT OF A NEW JOURNAL  
*HEARING*  
and CALL FOR PAPERS

THE American Audiology Society, Aram Glorig, M.D., President, has contracted with Williams and Wilkins, Baltimore, Maryland, to publish the Society's journal, entitled *Hearing*.

Initially a quarterly, it is expected that *Hearing* will shortly be released bi-monthly. Information from the Society on the journal may be obtained from Dr. Glorig or from Ross Roeser, PH.D., Secretary/Treasurer, at 1966 Inwood Road, Dallas, Texas 75235. Subscriptions may be obtained from the publisher or by membership in the Society.

Special features of *Hearing* will include short lag on acceptance/rejection, a thorough review process through essentially autonomous Section Editors each with his own assistants, and a broad interdisciplinary policy. The Society's Editorial Policy Board, controlling all professional aspects of the journal, consists of members-at-large Daniel Ling, PH.D., Fred Linthicum, M.D., and W. Dixon Ward, PH.D., and *ex-officio* members Aram Glorig, Ross Roeser, J. Donald Harris, PH.D. (Editor-in-Chief), Chairman, and Jerry Northern, PH.D. (Associate Editor).

Audiology is defined by the Society as the study of hearing in all its aspects. The Society is especially interested in intermixing audiology and otology, and *Hearing* will reflect that goal.

Papers are now being solicited for Vol. 1, to appear in 1975. Writers with manuscripts ready or nearly ready for release are invited to send four copies for consideration to the Editor-in-Chief, Box N, Groton, Connecticut, 06340, with at least one copy of each figure. Papers will be expected to conform generally to the format of the Council of Biology Editors Style Manual, Third Edition, 1972, American Inst. Biol. Sciences, 3900 Wisconsin Avenue, N. W., Washington, D.C. 20016.

---

COURSE IN LARYNGOLOGY AND BRONCHOSOPHAGOLOGY

3 TO 8 NOVEMBER 1975

THE Department of Otolaryngology, Abraham Lincoln School of Medicine, University of Illinois and the Eye and Ear Infirmary of the University of Illinois Hospital, will conduct a continuing education course in Laryngology and Bronchoesophagology, 3 to 8 November 1975. The course is limited to twenty physicians and will be under the direction of Paul H. Holinger, M.D. It will be held largely at the Eye and Ear Infirmary, 1855 West Taylor Street, Chicago, and will include visits to a number of other Chicago hospitals. Instruction will be provided by means of animal demonstrations and practice in bronchoscopy and esophagoscopy, diagnostic and surgical clinics, as well as didactic lectures.

Interested physicians will please write directly to the Department of Otolaryngology, Eye and Ear Infirmary, 1855 West Taylor Street, Chicago, Illinois 60612.

## General notes

### THE ROYAL NATIONAL THROAT, NOSE AND EAR HOSPITAL

THE THIRD ANNUAL MEETING of the Society for Ear, Nose and Throat Advances in Children (SENTAC) will be held at the Hospital del Niño IMAN (Institucion Mexicana de Asistencia a la Niñez) in Mexico City 5 to 9 November 1975. Papers of 10 to 20 minutes duration are invited; abstracts should be submitted by 15 September either to Ernesto Deutsch, M.D., Servicio de Otorrinolaringología, Hospital del Niño IMAN, Insurgentes Sur 3700-C, Mexico 22, D.F., or to Sanford E. Gerber, Ph.D., Department of Speech, University of California, Santa Barbara, CA 93106. Information concerning registration and certain options regarding travel and accommodations may also be obtained from Dr. Deutsch.

---

THE WILLIAM AND HARRIET GOULD FOUNDATION announces the recipient of the 1974 Gould Award: Dr. Masafumi Suzuki, Research Associate in the Section of Otolaryngology of Yale University School of Medicine. Dr. Suzuki was honoured for his basic contributions to laryngeal neurophysiology.

The Gould Award is presented annually for outstanding fundamental contributions in the field of laryngology. The recipient is selected by an International Committee which at present consists of Professeur Dr. Bernard Vallancien, 16 Rue Spontini, Paris XVI<sup>e</sup>, France; Dr. John A. Kirchner, Yale University School of Medicine, Section of Otolaryngology, 333 Cedar Street, New Haven, Connecticut 06510; Professor Toshio Shirowa, M.D., Tokyo Medical College, Department of Otolaryngology, 6 Nishi-Shinjuku, Tokyo, 160, Japan; and Dr. Hans von Leden, Institute of Laryngology and Voice Disorders, 10921 Wilshire Boulevard, Los Angeles, California 90024, Chairman.

The Award consists of an illuminated plaque and a cash prize. Nominations for the Gould Award should be filed with one of the Committee members as soon as possible.

---

### THE ROYAL NATIONAL THROAT, NOSE & EAR HOSPITAL

#### CENTENNIAL LECTURE

'100 YEARS of Otolaryngology in Gray's Inn Road' by Mr. J. Angell-James, CBE., MD., FRCP., FRCS., in the Barnes Hall of the Royal Society of Medicine at 4 p.m., on Saturday, 26th July, 1975.
