"It is by far the most complete record of our present knowledge of this disease hitherto written in the English language... There is nothing to say except praise for the editors, who have produced a magnificent exposition of modern knowledge on this important disease—an exposition which must certainly take its place as the classical authority upon the subject."—*Nature*

"The mere enumeration of the writers is a sufficient guarantee of the excellence of the work, and of the authority which it carries; whilst the articles are written in clear and good English, free, for the most part, from the technical terms which make many treatises on bacteriology difficult and unprofitable to read. The articles are well harmonised, and the teaching in regard to difficult and debatable points is marked by moderation and common sense."—*Athenaeum*

PARASITOLOGY

A SUPPLEMENT TO THE JOURNAL OF HYGIENE

Edited by GEORGE H. F. NUTTALL, F.R.S., Quick Professor of Biology
in the University of Cambridge, and A. E. SHIPLEY, F.R.S., Reader in
Zoology, Cambridge.

The *Journal of Hygiene* having become unduly burdened with papers dealing with the anatomy of mosquitoes, fleas, protozoa and other parasites—of great importance in themselves—but having only an indirect relation to hygiene and preventive medicine, it is proposed in future to relegate all such papers to *Parasitology*.

Parasitology, though a supplement to the *Journal of Hygiene*, will be issued in the form of a separate yearly volume of four to five hundred pages. The parts will be issued when sufficient material has accumulated. The first three volumes are now ready. The subscription price is £1. 1s. per volume (post-free), payable in advance; single numbers 7s. net. Subscribers to the *Journal of Hygiene* may obtain single numbers of *Parasitology* at the reduced price of 5s. net or may become subscribers at the reduced rate of 15s. Subscriptions may be sent to any Bookseller, or to MR C. F. CLAY, MANAGER, Cambridge University Press, Fetter Lane, London, E.C. A Prospectus will be sent on application.
