Editors

Dr Morna Hooker, University of Cambridge  
Dr Maurice Wiles, University of Oxford

Founded in 1899, The Journal of Theological Studies is one of the world's leading periodicals in biblical and theological writing. Distinguished alike for the range of its subject matter and for the high level of its scholarship, it includes within its range all departments of the academic study: Old and New Testaments, Church history, philosophy of religion and ethics. Each issue normally consists of three parts: original articles of some length, shorter notes and studies (usually upon particular points of scholarship, interpretation and the like), and a substantial section of reviews of English and foreign works.
