

British Social Democracy A Study in Development and Decay

Second Edition

David Howell, *University of Manchester*

"A brilliantly analyzed and interpreted historical study of British social democracy from its founding stages through successive crises to the present...the best one-volume history of the 70 years of the Labour party's existence."—*Choice* on the first edition

"Distinguished by the author's thoughtful judgments on men and events"

—*American Historical Review* on the first edition

The new edition has been revised and updated to include the defeat of the Labour party in the May 1979 election.

1980 ISBN 0-312-10536-3 about 360 pp., cloth \$25.00

Britain Since 1945 A Political History

David Childs, *University of Nottingham*

"David Childs's *Britain Since 1945*, a concise survey of British political history from 1945 to the 1979 general election, is a praiseworthy attempt to fill a major gap, which deserves warm commendation....The author's account is remarkably comprehensive, with adequate attention given to overseas and colonial development, to events in Northern Ireland, to social, institutional and legal change...Here, then, is a readable, lucid work which many students and their teachers will find enormously helpful."—*Times Literary Supplement*

1980 ISBN 0-312-09880-4 308 pp., cloth \$22.50

British Fascism Essays on the Radical Right in Inter-War Britain

edited by Kenneth Lunn, *Portsmouth Polytechnic* and
Richard Thurlow, *University of Sheffield*

In essays prepared expressly for this volume, eleven historians explore new evidence and offer fresh interpretations of British fascism between the world wars. The contributors analyze the ideology, tactics, and membership of the British Union of Fascists and its competitor, the Imperial Fascist League; examine the roles of British fascist leaders; and explore the influence of British ideas on continental fascist thought.

1980 ISBN 0-312-10130-9 256 pp., cloth \$25.00

The Liberals and Ireland The Ulster Question in British Politics to 1914

Patricia Jalland, *Western Australian College of Technology*

"A wonderful job of threading through the maze. All the complexities are handled with great assurance and lucidity."—Peter Clarke, author of *Lancashire and the New Liberalism* and *Liberals and Social Democrats*.

The first clearly-argued account of the historical origins of the contemporary Irish tragedy, this book traces the response of the Liberal party to the Irish crisis from 1885 until World War I. The author's central theme is the failure of Asquith's Government to deal effectively and permanently with the Ulster problem.

1980 ISBN 0-312-48347-3 about 250 pp., cloth \$25.00
