## The Historic American Buildings Survey

45,000 photographs and 35,000 pages of text describing 20,000 architecturally significant sites and structures in the USA. Arranged by state and published on microfiche from the original archives in the Prints and Photographs Division, the Library of Congress.

By far the largest and richest of the architectural collections in the Library of Congress, the Survey has documented over 20,000 sites since its inception in 1933 as a project of the Department of the Interior, the American Institute of Architects, and the Library of Congress.

This microfiche edition publishes for the first time the complete text, and photographs in the Survey.

1,400 60-frame microfiche \$4,950.

*Individual states are available separately*

## Historic Buildings in Britain

Inventories of the Royal Commissions on Historic Monuments and Constructions in England, Scotland and Wales on microfiche.

**Art Libraries Journal**

The *Art Libraries Journal* is published quarterly by ARLIS/UK, the Art Libraries Society in the United Kingdom and the Republic of Ireland. The *Journal* normally appears in May, August, October and December.

The *Journal* is concerned with the documentation, bibliography and librarianship of art and design throughout the world.

Contributions are published in English or French; in addition to articles, the *Journal* prints readers' letters, and reviews art bibliographies and books about, or relevant to, art librarianship. Contributions should be sent to the Editor at the address given below.

The views expressed by contributors are not necessarily those of the Editor or of ARLIS/UK.
