## **Sources of International Comparative Advantage**

Theory and Evidence

*Edward E. Leamer*

This is the first book to present a clear empirical picture of the international exchange of goods and of the resources that account for the exchanges that occur.

“Combining theory ingeniously with econometrics to reopen the question of the validity of the Heckscher-Ohlin theory of comparative advantage, this is an important work.”—Jagdish N. Bhagwati, Arthur Lehman Professor of Economics, Columbia University

## **Trade Liberalization among Major World Trading Areas**

*John Whalley*

This book provides a much needed quantitative response to the classic question of who gains and who loses in trade liberalization and shows how important the process is for the global economy. It contributes significantly to the debate concerning trade between developed and developing countries.

# THE WASHINGTON QUARTERLY

**Richard E. Bissell**  
Executive Editor  
**Amos A. Jordan**  
**Walter Laqueur**  
Editors

*"... an excellent resource for a sophisticated understanding of world affairs... it is at the center of the debate on America's foreign policy decisions."*  
—Dr. Henry Kissinger

*"... an essential tool for anyone seriously involved in world affairs."*  
—Zbigniew Brzezinski

Emphasizing a full range of issues—from strategic questions to economics, from foreign policy to business and banking—**The Washington Quarterly** has become central to diplomats, government policymakers, prominent business leaders, journalists, and scholars. Each issue contains timely, comprehensive treatment of current topics, including one or more sections of articles concentrating on areas of vital concern. For an insider's view of foreign policy controversies around the world, subscribe to **The Washington Quarterly**.

# How To Comply With The New COPYRIGHT Law

*Participation in the Copyright Clearance Center (CCC) assures you of legal photocopying at the moment of need.*

Libraries everywhere have found the easy way to fill photocopy requests legally and instantly, without the need to seek permissions, from more than 3000 key publications in business, science, humanities and social science. You can:

*Fill requests for multiple copies, interlibrary loan (beyond the CONTU guidelines), and reserve desk without fear of copyright infringement.*

Supply copies from CCC-registered publications simply and easily.

The Copyright Clearance Center is your one-stop place for on-the-spot clearance to photocopy for internal use.

Its flexible reporting system accepts photocopying reports and returns an itemized invoice. You send only one convenient payment. CCC distributes it to the many publishers whose works you need.

And, you need not keep any records, the CCC computer will do it for you. Register now with the CCC and you will never again have to decline a photocopy request or wonder about compliance with the law for any publication participating in the CCC.

To register or for more information, just contact:
