# ENVIRONMENT AND DEVELOPMENT ECONOMICS

published in association with the Beijer Institute of Ecological Economics,  
Royal Swedish Academy of Sciences

**AIMS AND SCOPE** *Environment and Development Economics* aims to publish papers on the environmental problems associated with the process of economic development. It encourages submission of two categories of paper. The first comprises scientific papers. The second comprises environmental policy discussion papers. The first is carried in a section on Theory and Applications. The second is carried in a regular section, Policy Options, and an occasional more focussed Policy Forum.

The journal publishes on a wide range of topics including:

- \* the environmental impact of economy-wide policies
- \* optimal environmental regulation and incentives in a development context
- \* the valuation of environmental resources in developing countries and incentives in environmental policy
- \* the environmental effects of institutional change
- \* modelling interdependent economic and environmental processes

**SUBSCRIPTIONS** *Environment and Development Economics* (ISSN 1355-770X) is published bimonthly in February, April, June, August, October and December. Six parts form a volume. The subscription price (excluding VAT), which includes print and electronic access, and postage, of Volume 19 in 2014 is £320 (\$519 in the USA, Canada and Mexico), for institutions and £57 (\$92 in the USA, Canada and Mexico) for individuals ordering direct from the publisher and certifying that the journal is for their personal use. The electronic-only price available to institutional subscribers is £250 (US\$417 in the USA, Canada and Mexico). Single parts are £54.63 (US\$88.36 in the USA, Canada and Mexico). Prices include delivery by air where appropriate.
