THE JOURNAL OF ECONOMIC HISTORY is published in March, June, September, and December by The Economic History Association at The Johns Hopkins University. The JOURNAL is sent to all members of the Association. Membership rates are: student membership, \$5.00; regular membership, United States, \$15.00; library subscriptions, \$20.00; regular membership, foreign, \$15.50; professors emeriti who have been members of the Association for ten years, \$10.00; back issues, \$5.00. Applications and inquiries concerning membership and single copies should be addressed to Secretary-Treasurer RICHMOND D. WILLIAMS, Eleutherian Mills Historical Library, Wilmington, Delaware 19807.

Articles on economic history and related aspects of history or economics will be considered for publication by the editors. Those manuscripts incorporating the results of detailed original research should include some discussion of the broader significance of the subject matter. Contributions should be typed double spaced; tables and footnotes, also double spaced, should be grouped separately at the end of the paper. If possible, three copies of each manuscript should be submitted; and each manuscript should be accompanied by a statement of the approximate number of words which it contains. A submission fee of \$15.00 is required from non-members of The Economic History Association. Prospective contributors may obtain from the Editorial Office a copy of "Suggestions to Contributors," a list of the major literary and stylistic customs of the JOURNAL.

Articles and correspondence relating to editorial functions of THE JOURNAL OF ECONOMIC HISTORY should be directed to the Editorial Office, THE JOURNAL OF ECONOMIC HISTORY, Administrative Building Box 41, Emory University, Atlanta, Georgia 30322.
