Nation and Religion

Perspectives on Europe and Asia

Edited by Peter van der Veer
and Hartmut Lehmann

Does modernity make religion politically irrelevant? Conventional scholarly and popular wisdom says that it does. This collection of essays challenges that view. Contributors show that religion and politics are mixed together in complex and vitally important ways not just in the East, but in the West as well. The book's comparative approach underscores that developments in colonizing and colonized countries, too often considered separately, are subtly interrelated.

The Saffron Wave

Democracy and Hindu Nationalism
in Modern India

Thomas Blom Hansen

In *The Saffron Wave*, Thomas Hansen examines recent events in the world's largest democracy. Here he analyzes Indian receptivity to the right-wing Hindu nationalist party and its political wing, the Bharatiya Janata Party (BJP), which claims to create a polity based on "ancient" Hindu culture. This work offers fresh insights into Indian politics and advances understanding of democracy in the postcolonial world.

Congratulations to Richard H. Davis, author of *Lives of Indian Images*, winner of the 1999 Amanda Kentish Coomaraswamy Book Prize, sponsored by the Association for Asian Studies.

Lives of Indian Images

Richard H. Davis

"Richard Davis has again produced a book that is rich with many layers of meaning and beauty, a book that causes the reader to give pause to previous notions about Indian art and the ways in which we view it."—*Critical Review of Books in Religion*

"Davis writes with an elegance not common in scholarly books."
