

REGIONAL GEOLOGY SERIES

GENERAL EDITOR : Professor L. U. De Sitter

Announcing publication, in the late autumn, of the first volume in this important new series . . .

REGIONAL GEOLOGY OF THE HIMALAYAS

Professor A. Gansser, *Eidg. Technische Hochschule, Geologisches Institut, Zurich.*

1964. Approx. 300 pages. Many maps and illustrations. About 140s.

A pre-publication price will be available

In many cases the author has replaced lengthy descriptions by adequate text figures, photographs and profiles which render the facts more clearly. Practically all the sketches, from nature, from photographs, or from other sources, have been drawn or redrawn by the author himself in order to arrive at a uniform presentation.

CONTENTS: I. THE WIDER FRAME OF THE HIMALAYAS THEIR REGIONAL SETTING: The Western, Eastern and Northern Areas; The Northern Border of the Indian Shield Mass. II. THE HIMALAYAS INCLUDING THE SALT RANGE AND THE KARAKORUM: The Salt Range; The Karakorum; The Punjab Himalayas; The Kumaon Himalayas; The Nepal Himalayas; The Sikkim-Bhutan Himalayas; The NEFA (*North Eastern Frontier Agency*) Himalayas. III. SYNOPSIS.

The next volumes to appear in this series will be:

PRINCIPAL PROBLEMS OF THE GEOLOGY OF THE CAUCASUS

V. Belousov, V. E. Khain, I. V. Kirillowa, E. E. Milanowski and A. A. Sorski

THE GEOLOGICAL STRUCTURE OF NEW ZEALAND

J. T. Kingma

THE SCOTTISH IRISH CALEDONIDES

J. Sutton and R. M. Shackleton

JOHN WILEY • INTERSCIENCE

Glen House, Stag Place, London, S.W.1

Geologists

Ministry of Industry Mines and Power

TANGANYIKA

To carry out regional geological surveys of metamorphic and igneous terrain together with preliminary investigations of economic deposits.

Applicants must have a 1st or good 2nd Class Honours degree in Geology with emphasis on metamorphic rocks and/or structural geology. Previous experience is desirable but not essential. Experience in economic geology also advantageous.

Candidates must be male, nationals of the United Kingdom or the Republic of Ireland and preferably between 24 and 40 years.

Salary £1,179–£2,448 per annum according to post graduate experience. Gratuity free passages. Generous children's education allowances. One or two tours of 21–27 months on contract.

Please apply giving full names, age, qualifications and experience and quoting RC.218/173/02 to :

The Appointments Officer,
MINISTRY OF OVERSEAS DEVELOPMENT,
Room 301, Eland House,
Stag Place, Victoria,
LONDON, S.W.1.

GEOLOGIST

Research and Development Department

THE UNITED STEEL COMPANIES LIMITED

A vacancy exists for an assistant Geologist, with a leaning towards mapping and stratigraphy, for prospecting, development, and research work on iron ores and industrial minerals. Short trips to Cumberland and elsewhere will be involved, but work will be based on these laboratories—situated in a pleasant residential area. Superannuation scheme. Sports and Social Club. Assistance with housing may be given. Salary according to merit and experience.

Applications invited from graduates, or final-year students, addressed to:—

THE DEPUTY DIRECTOR OF RESEARCH,
Swinden Laboratories,
Moorgate,
Rotherham, Yorks.

Chief Geophysicist

Ministry of Petroleum and Mineral Resources
Saudi Arabia

To be based at Jeddah and to take charge of the geophysical side of the Ministry's current minerals exploration programme. The job will involve a good deal of field work in rugged desert conditions. At least 15 years' experience in minerals exploration work with the minimum qualification of a degree in geophysics. Knowledge of Arabic an advantage. Applicants who should be citizens of United Kingdom or Ireland, preferably between 35 and 45, must be used to tough conditions. Contract with Saudi Arabian Government for 18 months renewable. Salary negotiable according to qualifications and experience in scale commencing approximately £6,430 per annum. Generous field and housing allowances. Paid leave. Free medical attention. Free passages. Please apply, giving full names, age, qualifications and experience and quoting RC/218/156/01 to:—

The Appointments Officer, (Room 301),
Ministry of Overseas Development,
Eland House, Stag Place,
Victoria, London, S.W. 1.
