'An invaluable resource to experts and nonexperts alike as we all work together to reconstruct a viable balance between individual liberty and collective action to protect the public's health.'

Lindsay F. Wiley, UCLA

'This book confirms Wendy Parmet's status as our leading interpreter of the judicial doctrines of public health - and our most powerful legal voice for recognizing the promotion and protection of public health as a defining purpose of government.'

Scott Burris, Temple University

'Constitutional Contagion is a compelling tour de force, and essential reading for anyone seeking to understand America's fraught response to the COVID pandemic.'
