<i>Secretary:</i>	W. PYE	State College of Victoria at Melbourne, Grattan and Swanston Streets, Carlton, Vic. 3053.
<i>Treasurer:</i>	V. G. HART	Department of Mathematics, University of Queensland.
<i>Business Manager:</i>	E. T. STELLER	St Lucia, Qld, 4067.
<i>Membership subscriptions:</i>	Institutions:	A\$100
	Other members:	A\$15 (which may be reduced to A\$7.50 for undergraduates and junior graduates)

Reciprocity agreements: Such agreements have been made with a number of other mathematical societies. Under the agreements members of the other societies who are not normally resident in Australia may join the Australian Mathematical Society at half the current rates.

Membership and correspondence: Applications for membership, notice of change of address or title or position, and other correspondence, except as noted below, should be sent to the Secretary. Subscriptions and correspondence related to accounts should be sent to the Treasurer. Correspondence about the distribution of the Society's GAZETTE, JOURNAL and BULLETIN, and orders for back numbers, should be sent to the Business Manager.

Members of the Society receive copies of the GAZETTE free, and may subscribe to either of the Society's research publications, the JOURNAL or the BULLETIN at the price of A\$10 per year.

OTHER PUBLICATIONS OF THE SOCIETY

THE JOURNAL SERIES B (APPLIED MATHEMATICS)

Editor: Professor J. J. MAHONY,
Department of Mathematics,
Nedlands, Western Australia 6009.

This series will be published in volumes, comprising four parts, starting with Volume XIX Part I in 1975. Initially two parts will be published annually.

The annual cost in 1976 will be A\$18.

THE BULLETIN of the Australian Mathematical Society began publication in 1969. Two volumes of three numbers are published annually at an annual subscription of A\$36, in 1976. Manuscripts for publication should be sent to the Editor:

Professor B. H. NEUMANN,
Department of Mathematics,
Institute of Advanced Studies,
Australian National University,
P.O.B. 4, Canberra, Australia 2600,

or to the Associate Editor, Dr. L. G. Kovács, at the same address.

The Australian Mathematical Society GAZETTE started publication in 1974 and carries news items, mathematical articles of general interest, and articles on tertiary mathematics teaching. Manuscripts for publication should be sent to the Editor:

Dr A. van der Poorten,
School of Mathematics,
University of New South Wales,
Kensington, NSW 2033.

PREPARATION OF MANUSCRIPTS

Authors of articles submitted for publication in the Journal are asked to ensure that their manuscripts are in a form suitable for sending to the printer. The necessary preparation should be done by the author before initial submission. We set out below a brief statement of the main points we ask authors to observe.

1. The author should keep a complete copy of the submitted article.
2. An abstract (not exceeding 100 words) should accompany each copy of the manuscript.

3. Manuscripts should be typed, on high quality A4 or quarto bond paper, on one side only with at least double spacing, and with a margin of at least 4 cm all around. Diagrams and figures must be submitted in a form suitable for reproduction.

4. The conventions of : *A manual for authors of mathematical papers* published by the American Mathematical Society should be used, but references should be in alphabetical order presented as follows in the bibliography:

W. W. Boone (1966), 'Word problems and recursively enumerable degrees of unsolvability. A sequel on finitely presented groups', *Ann. of Math.* **84**, 94–84.

W. W. Boone and G. Higman (1974), 'An algebraic characterization of groups with soluble word problem', *J. Austral. Math. Soc.* **18**, 41–53.

Wilhem Magnus, Abraham Karrass and Donald Solitar (1966), *Combinatorial Group Theory* (Interscience, New York, 1966).

References in the text should be of the form Boone (1966), Boone & Higman (1974), Magnus *et al.* (1966).

5. Eschew abbreviations such as "Thm", "iff", "eqn", "etc", "e.g.", "i.e.", "q.e.d.", "w.r.t.". Spelling and use of hyphens should be consistent.

6. A separate page "Notes to the Composer" should include a list of all symbols and foreign letters.
