The International Political Science Association Invitation to Membership—1973

The International Political Science Association welcomes political scientists as members. The Association, founded in 1949, is composed of three categories of members: individuals, institutions and national associations.

Membership in the Association of \$4.00 a year entitles members to receive the Newsletter giving information about IPSA activities and meetings; to purchase material published under IPSA auspices—including the *International Bibliography of Political Science*, published annually by Stevens in London and sets of papers submitted at IPSA meetings at reduced cost; and to register at IPSA meetings at lower rates.

Individual members who pay a higher membership fee of \$12.00 a year are, in addition, entitled to receive either the *International Political Science Abstracts* published bi-monthly by the Association itself or the *International Social Science Journal*, the quarterly organ of the Department of Social Sciences of UNESCO. To join the Association send your name and check to the International Political Science Association, 27 rue Saint-Guillaume, Paris 7e, France.
