

Subscription Requests

Free Subscriptions

Individuals requesting subscriptions, or wishing to change/correct their address, are requested to do so at our website:

www.microscopy-today.com

Subscription Policies

- Microscopists in Canada, Mexico, and the United States are eligible for free subscriptions.
- Microscopy Society of America members receive *Microscopy Today* as a member benefit.
- Microscopists outside North America who are not MSA members may subscribe to the print edition for \$60US.
- Microscopists anywhere in the world may view the digital edition for free at the *Microscopy Today* website.

Digital Edition

- *Microscopy Today* is available in a digital edition that is free to qualified readers. To subscribe, go to the *Microscopy Today* website (www.microscopy-today.com), click “new subscription” or “renew subscription,” and follow the instructions provided.
- The digital edition is an exact replica of the print edition, advertisements and all. Special features include active website and email links (even within ads), word-level search function, and variable page magnification to enlarge figures and text.

Back Issues

- Scanned back issues of *Microscopy Today* are available for free low-resolution download at the website.
- High-resolution digital format on CD of complete back volumes are available for \$30/volume (MSA member and \$50/volume (non-MSA member). The preferred method of payment is via credit card at the website. Bank transfer information is available from the Editor. Checks in US\$ should be made payable to “*Microscopy Today*” and sent to the Editor.

REACH FOR THE HIGHEST RESOLUTION AT THE ATOMIC SCALE

ARM300F

THE GRAND ARM

Proven performance — unmatched raw data.
The highest resolution commercially-available Atomic Resolution TEM in the world.

- 63 picometer point-to-point resolution guaranteed
- 80-300 kV cold FEG
- Large solid angle SDD for atomic level chemistry
- Available with or without Cs correctors for TEM and STEM
- All-JEOL column optics and software
- Ultimate stability
- Renowned service and support
