- Free on-site access and other membership privileges to a new medico-legal reference library now being established in the Boston area. This unique library, one of a few of its kind in the country, has been formed by the merging of several collections of medicolegal source materials. SUBMISSION OF ARTICLES

The Editors encourage the submission of manuscripts on a wide range of medicolegal topics for publication in the JOURNAL. Acceptable subjects include health law and policy; legal, ethical, social, and economic aspects of medical practice, education, and research; health-related insurance; and other important or interesting subjects involving the relationship of the life sciences to the social sciences and humanities. The JOURNAL is interdisciplinary. Contributions from specialists in a variety of disciplines are welcomed. All materials should be sent to the Editor-in-Chief, American Journal of Law & Medicine, Editorial Offices, 454 Brookline Avenue, Boston, Massachusetts 02215.

GENERAL FORM: Manuscripts should be typewritten on one side of the paper only, with triple spacing and liberal margins. Manuscripts should be submitted in *triplicate, i.e.*, an *original* and two carbon or Xerox copies. The title of the paper and the author's name and address should be given on a covering sheet.

ABSTRACT: A short abstract (normally not exceeding 200 words) succinctly summarizing the content of the manuscript should accompany the manuscript on a separate sheet. If the paper is accepted, the abstract will be published along with the manuscript.

REFERENCES: Footnotes to sources should be numbered consecutively, and placed on triple spaced pages at the end of the text. All footnotes should conform to *A Uniform System of Citation* (12th ed.), published and distributed by the Harvard Law Review Association, Gannett House, Cambridge, Massachusetts 02138. Non-lawyers unfamiliar with this system should follow the citation form accepted in their field and the Editors of the JOURNAL will make the appropriate modifications if the paper is published.

ILLUSTRATIONS: Illustrations and tables accompanying manuscripts should be numbered, provided with suitable legends, and marked lightly on the back with the author's name. Authors should indicate on the manuscript the appropriate positions of tables and text figures. Special arrangements must be made with the Editor-in-Chief for color plates, elaborate tables, half-tone illustrations or extra illustrations, drawings, and photographs.

PUBLICATION LANGUAGE: English.

SELECTION AND EDITING TIMETABLE: Receipt of manuscript will be acknowledged within one week of receipt. Authors will be notified of the manuscript's acceptance or rejection within one to three months, and accepted manuscripts will be published within three to eight months of acceptance.

PROOFS AND AUTHOR REPRINTS: Because of time pressures, printer's proofs of articles accepted for publication will *not* be made available to authors. Thirty reprints of each article will be distributed to the author or divided among the authors if there are more than one.

RETURN OF MANUSCRIPTS: Upon request of the author and upon receipt of a suitable envelope stamped with adequate postage, the Editor-in-Chief will return to the author the original of any manuscript not accepted for publication.
