Ithaca, New York 14851-0952

**AMERICAN-
SOVIET
TRADE
IN THE
COLD WAR**
BY
**PHILIP J.
FUNIGIELLO**

"An important work that contains new information and fresh insights for students of East-West relations. Combining a broad time frame with in-depth analysis . . . Funigiello demonstrates that domestic political factors have had greater impact than economic or strategic concerns on U.S. trade policy toward the Soviet Union and other communist countries."—Ralph B. Levering

Stalin's Industrial Revolution

Politics and Workers, 1928-1932

Hiraoki Kuromiya

A political and social history of Stalin's revolution during the first Five-Year Plan that vividly describes the way in which the objectives of various institutions and organizations affected the formation of the Soviet planned economy.

Soviet and East European Studies

\$44.50

Stakhanovism and the Politics of Productivity in the USSR, 1935-1941

Lewis H. Stegelbaum

Shows how the Stakhanovite movement, an important symbol of increased worker productivity in the Soviet Union, can be used to explore the social relations within Soviet industry at a critical stage in its development.

Soviet and East European Studies

\$34.50

Entrepreneurs and Parasites

The Struggle for Indigenous Capitalism in Zaire

Janet MacGaffey

An ethnography of local class formation and struggle that examines the spiralling economic crisis in Zaire. Using data from Kisangani, Upper Zaire, and North Kivu, the author demonstrates the emergence of an indigenous bourgeoisie of local capitalists without political position.

African Studies 57

\$42.50

Palm Oil and Protest

An Economic History of the Ngwa Region, South-eastern Nigeria, 1800-1980

Susan M. Martin

Examines the interaction between growing palm oil export production and changes in Ngwa patterns of food production and family relations in the nineteenth and twentieth centuries.

African Studies 59

\$42.50

First the Seed

The Political Economy of Plant Biotechnology, 1492-2000

Jack R. Kloppenberg, Jr.

A history of the scientific and commercial lines of plant development in the United States that traces the transformation of the seed from a public good produced by farmers into a commodity controlled by businesses and corporations.

\$37.50

The Collapse of Complex Societies

Joseph A. Tainter

Develops a new and far-reaching theory that accounts for collapse among diverse kinds of societies, evaluating and clarifying the process of disintegration through detailed studies of the Roman, Mayan and Chacoan collapses.

New from Cambridge University Press

The Demography of Inequality in Brazil

Charles H. Wood and Jose Magno de Carvalho

Examines how transformations in Brazil's social, economic, and political organization affect the demographic behavior of its people and shows how the Brazilian style of economic growth unequally affected different population subgroups.

Cambridge Latin American Studies 67

\$42.50

House and Street

The Domestic World of Servants and Masters in Nineteenth-Century Rio de Janeiro

Sandra Lauderdale Graham

A detailed reconstruction of the working and personal lives of servant women in Rio de Janeiro that traces the lives they conducted away from the watchful presence of masters.

Cambridge Latin American Studies 68

\$42.50

A Tropical Belle Epoque

Elite Culture and Society in Turn-of-the-Century Rio de Janeiro

Jeffrey D. Needell

An analysis of the elite culture of Rio de Janeiro between 1896 and 1914 that relates how the city evolved from a semi-rural slave-owning patriarchy into an urbane, professional society dominating the capital of an oligarchical republic.

Cambridge Latin American Studies 62

\$42.50

Brazil and the Struggle for Rubber

A Study in Environmental History

Warren Dean

Demonstrates that environmental factors have played a key role in the many failed attempts to produce a significant rubber crop in Brazil and analyzes the struggles of the Brazilian government to foster rubber development.

Studies in Environment and History

\$29.95

Sugar Plantations in the Formation of Brazilian Society: Bahia, 1550-1835

Stuart B. Schwartz

Traces the development of sugar plantation society in a major plantation zone, revealing much about roles and relationships in plantation society as well as the history of the Brazilian sugar economy.

Cambridge Latin American Studies 52

\$70.00 Hardcover \$24.95 Paper

Colonial Brazil

Leslie Bethell, Editor

A selection of chapters from the Cambridge History of Latin America volumes 1 and 2 brought together to provide a history of the Portuguese empire in Brazil from the beginning of the sixteenth to the beginning of the nineteenth centuries.

That Noble Dream

The "Objectivity Question" and the American Historical Profession

Peter Novick

"...an astute and provocative account of how the historical profession in America has dealt with its founding myth and central norm—the ideal of objectivity...we should welcome the challenge it poses to the profession."—*Dorothy Ross*

\$49.50 Cloth \$15.95 Paper

The Corporate Reconstruction of American Capitalism, 1896-1916

The Market, the Law, and Politics

Martin J. Sklar

"...a provocative and exciting reinterpretation of the 1890-1916 period, its debates over and resolution of the trust question, and its rejection...of statist administration of the market...deserves careful consideration."—*Ellis W. Hawley, University of Iowa*

\$49.50 Cloth \$15.95 Paper

Imperial State and Revolution

The United States and Cuba, 1952-1986

Morris H. Morley

Sheds new light on American-Cuban relations from their origins up through present times, examining the role of the United States in the shaping of Cuban political and economic development.

\$59.50 Cloth \$16.95 Paper

The Past is a Foreign Country

David Lowenthal

"Everything distinguishable about the past is here. How we know it, if indeed we know it at all...a book that you will enjoy, if you know the past attracts you, or if you think you are immune to its power or its spell..."—*Peter Laslett, in the Washington Post Book World*

\$13.95

Ecological Imperialism

The Biological Expansion of Europe, 900-1900

Alfred W. Crosby

"...contains a wealth of scholarship and synthesis of detail...it is a view of history from a novel perspective and it comes alive in Crosby's able telling..."—*Los Angeles Times*

\$10.95

At bookstores or order from

From Monopoly to Competition

The Transformations of Alcoa, 1888-1986

George David Smith

Describes the history of Alcoa from its beginning as a speculative venture through its rise to become the most successful monopoly in American history and its eventual adaptation to evolving forms of competition.

\$29.95

Science and Corporate Strategy

Du Pont R&D, 1902-1980

David A. Hounshell and John Kenly Smith, Jr.

This critical study of research management describes the development of famous Du Pont products and leads to a new understanding of the central role research has played in the history of one of the major corporations in the United States.

Studies in Economic History and Policy: The United States in the Twentieth Century
\$39.50

Now in paperback...

The Great Merger Movement on American Business, 1895-1904

Naomi Lamoreaux

"...extremely interesting and suggestive...It is well written, clearly argued, and accessible...should have great impact in focusing attention on this important period of consolidations..."—*Journal of Economic History*

\$9.95

Social Security

Visions and Revisions

W. Andrew Achenbaum

"...easily the best survey of the history of social security policy that we have...Achenbaum is one of the historians of twentieth-century policy making who have something stimulating and constructive to add to discussions of contemporary policy issues...will almost certainly become one of the most influential and widely read books on social security."

—*W. Elliot Brownlee, University of California, Santa Barbara*

A Twentieth Century Fund Study

\$12.95

International Capital Movements

Charles P. Kindleberger

Looks at the historical role of international capital movements in the financing of trade and their dramatically increased role in the world economy in recent years, examining the current economic theory and policy implications of these changes.
