

THE DECISION OF THE NATIONAL PEOPLE’S CONGRESS ON IMPROVING THE
ELECTION SYSTEM OF THE HONG KONG SPECIAL ADMINISTRATIVE
REGION—CORRIGENDUM

SIMON N.M. YOUNG

In the original published article by Young¹, the reference to “57 per cent” regarding LegCo members should be “44 per cent”:

The Election Committee will now elect 44 percent (forty seats) of all the LegCo members, although any LegCo voter who meets the nomination requirements is eligible to run for these elections.
