

The Unexpected Revolution

SOCIAL FORCES IN THE HUNGARIAN UPRISING. *Paul Kecskemeti*. An analysis of the impact of totalitarianism upon different social groups in Hungary—Communist party functionaries and intellectuals, non-party intelligentsia, workers, peasants, students—yields many reasons why the Hungarian revolt succeeded where uprisings in other satellite countries failed. \$4.75

A HISTORY OF SPANISH FASCISM. *Stanley G. Payne*. The first detailed study of Spain's fascist party, the book provides much new information on the inner workings of the Franco regime. Besides illuminating many particular aspects of Spanish political life, the book offers valuable observations on the nature of fascism in general. \$6.50

The Levellers and the English Revolution

H. N. Brailsford. The significance of the Levellers in English history has never before been so convincingly demonstrated as in this brilliant full-scale history of the movement. The book, to which Brailsford dedicated the last ten years of his life, has been edited and prepared for publication by Christopher Hill. \$10.00

The Story of Fabian Socialism

Margaret Cole. Here is a complete account by a firsthand witness of the turbulent and colorful history of the Fabian Society, the author being the wife of the late G. D. H. Cole and herself one of the Society's leaders. Indispensable background material on the genesis of the Welfare Society, it provides a chronicle of various related movements as well. \$6.50
