Three by Thomas Bernhard—

"Thomas Bernhard is one of the masters of contemporary European fiction . . . After Kafka and Canetti's, his sensibility is one of the most acute, the most capable of exemplary images and gestures, in modern literature."—George Steiner

Two by Stephen Vizinczey—

"The virtues of Vizinczey's style are those he finds in Hungarian poetry: the moody ferocity of a locked up beast and also a classic clarity and complete lack of self-indulgence."—Thomas D'Evelyn, *Christian Science Monitor*

De Vulgari Eloquentia

Dante's Book of Exile

By Marianne Shapiro

Shapiro offers a detailed discussion in English of *De vulgari eloquentia*, whose form and spirit reflect Dante's political unrest and alienation. Hers is the first work in any language to analyze and explain the meaning of the grammatical and rhetorical terminology that Dante used in his treatise. A volume in our series, Regents Studies in Medieval Culture. Available in December. xiv, 280 pages. \$35.00

Risking Enchantment

Coleridge's Symbolic World of Faery

By Jeanie Watson

Risking Enchantment is the first extended study of Coleridge's use of fairy tale elements in his poetry. Watson argues that Coleridge conceived of "Faery" as a metaphor for the Reality of Spirit and that his "tales of Faery" link the secular and sacred in dealing with things that are invisible, inexplicable, and mysterious in everyday experience. xiv, 235 pages. \$25.00

Communicating Vessels

By André Breton

Translated by Mary Ann Caws and Geoffrey T. Harris

"[Breton's] critical discussion of the obstacles to desire and of the conspiracy against love in capitalist society provides one of the clearest expositions of the necessity of the surrealist project." – Franklin Rosemont, *What Is Surrealism?* This English translation makes widely available Breton's edifice of surrealism. A volume in our series, A French Modernist Library. Available in December. xxiv, 160 pages. \$20.00

Classical Imitation and Interpretation in Chaucer's *Troilus*

By John V. Fleming

"A first-rate book. In every chapter, Fleming engages the major critics [and] he engages larger intellectual issues having to do with . . . the relationship between medieval and modern hermeneutics and the nature of medieval interpretation and of late medieval classicism." – Paul A. Olson, author of *The Canterbury Tales and the Good Society*. Available in December. xviii, 276 pages. \$35.00
