# Proceedings of The Nutrition Society

The publication of the PROCEEDINGS OF THE NUTRITION SOCIETY *in extenso* at the present time rather than later is regarded as a matter of urgent importance. The realization of the wish to do this has been made possible by the Royal College of Physicians, to whom The Nutrition Society owes its gratitude.

The PROCEEDINGS of the English Group of the Society are edited by Miss E. M. M. Hume, Lister Institute, Roebuck House, Old Chesterton, Cambridge, and Dr. S. K. Kon, National Institute for Research in Dairying, University of Reading, and of the Scottish Group by Professor E. W. H. Cruickshank, Department of Physiology, Marischal College, Aberdeen, Dr. I. Leitch and Mr. J. S. Thomson, Rowett Research Institute, Bucksburn, Aberdeenshire; Hon. General Editor, Dr. S. K. Kon.

Information regarding the objects of The Nutrition Society and particulars of membership may be obtained from the Hon. Secretary of the Society, Dr. L. J. Harris, Dunn Nutritional Laboratory, Cambridge, or from the Hon. Secretary of the English Group, Dr. E. M. Cruickshank, Dunn Nutritional Laboratory, Cambridge, or from the Hon. Secretary of the Scottish Group, Dr. J. A. B. Smith, Hannah Dairy Research Institute, Kirkhill, Ayr.

## Notice to those Reading Papers at Meetings of The Nutrition Society

Papers read before The Nutrition Society will be published in the PROCEEDINGS OF THE NUTRITION SOCIETY. To facilitate the work of the Society's Officers those reading papers are asked to observe the following rules:

- (1) At least two weeks before the date of the meeting, the manuscript of the paper in a form ready for publication should be sent to the Hon. Secretary of the Group. The paper should be typed in double spacing on one side of the paper only and should be a top copy. Although the paper need not be read in the exact form prepared for publication, all relevant data should be included in the copy submitted.
