WILLA CATHER
SCHOLARLY EDITION

My Ántonia

Edited by Charles Mignon with Kari Ronning
Historical essay and explanatory notes by James Woodress
Illustrations by W.T. Benda

Cather called My Ántonia, "the best thing I've done." This novel, hailed by reviewer after reviewer for its originality, vitality, and truth, secured Cather's place in the first rank of American writers. H. L. Mencken declared it one of the best novels "any American has ever done." *The Nation* placed it "among the best of our recent interpretations of American life." Oliver Wendell Holmes commented that it "lifts me to all my superlatives." One of Cather's most intimate novels, it draws deeply on her childhood experiences.

O Pioneers!

Edited by Susan J. Rosowski and Charles Mignon
with Kathleen Danker
Historical Introduction and Explanatory Notes
by David Stouck

Willa Cather said of O *Pioneers!* that it was her first authentic novel, "the first time I walked off on my own feet—everything before was half real and half an imitation of writers whom I admired."

Published in 1913, Cather's novel of life on the Nebraska frontier received enthusiastic reviews. Besides establishing her career as a writer of great note, *O Pioneers!* marked a significant turning point in Cather's artistic development: no longer would she let literary convention guide the form of her writing; the materials themselves would dictate the structure. The critical and popular success of *O Pioneers!* encouraged Cather to follow the same road with subsequent novels.
$45 cloth

The volumes in the Willa Cather Scholarly Edition place Cather's novels in historical context as well as provide definitive critical texts. A historical introduction situates each novel in its own time and in the context of Cather's career. Explanatory notes and illustrations clarify the allusions that may be unfamiliar to present-day readers and tie the text to scenes and details from Cather's actual experience.
