Australian Journal of Political Science is the official journal of the Australasian Political Studies Association. It publishes articles on all aspects of politics.

The journal aims to:

- present academic assessment of important theoretical and empirical issues in the study of politics;
- contribute to contemporary debates about controversial issues;
- present overviews and evaluations of contemporary political events, in Australasia and internationally.

Australian Journal of Political Science also publishes research notes, which report on ongoing research projects, research designs and preliminary findings. The journal has an extensive book review section, including review essays in addition to shorter reviews.

'Australian Journal of Political Science'
