Business correspondence should be sent to the Secretary-Treasurer of the Association, C. Ward Henson (address below).

The JOURNAL is the official organ of the Association for Symbolic Logic, an international organization for furthering research in symbolic logic and exchange of ideas among mathematicians, philosophers, and others interested in this field.

Individual membership in the Association is open to anyone interested in its work. Annual dues for members are \$32, or \$16 for students. Dues include subscription to the current volume of the JOURNAL. For their personal use, members may purchase back volumes at a discount.
