Academic Publishers of Microfilm and Microfiche

We are pleased to announce a new title in our series of Government Publications relating to African Countries prior to Independence. This is a further project in conjunction with the African Studies Association of the United Kingdom, and is edited by Dr. Shula Marks and Anthony Atmore, University of London.

The Cape Colony publications will contain the complete range of Parliamentary Papers and Debates of the Cape House of Assembly in addition to the Statutes of the Cape Colony, the Government Gazettes and Statistical Blue Books. There are five groups to the complete project and Group I, which will be available Autumn 1979, comprises approximately 300 reels. Group II, comprising the Statistical Registers, will be ready Winter 1979.

Annexures to the Votes and Proceedings of the Cape House of Assembly constitute the main part of the first group, listed in Musiker's Guide to the Cape of Good Hope Official Publications, 1854-1910 and page references to the Guide are given throughout the appropriate microfilms.

An introductory leaflet to the complete publication may be sent on request, together with details of other titles in our African Studies series.
