by Hans-Peter Schwarz  
(Ronald J. Granieri)
- Triumph of the Fatherland: German Unification and the Marginalization of Women*, by Brigitte Young  
(Elizabeth Heineman)

## Beyond the Conceivable

*Studies on Germany, Nazism, and the Holocaust*

**Dan Diner**

"The brilliance of Diner's essays stems in good part from the astonishingly wide perspectives in which he sets his inquiries and from the interdisciplinary synthesis he is able to master."

—Saul Friedlander, author of *Nazi Germany and the Jews*

*Weimar and Now: German Cultural Criticism*, \$45.00 hardcover

## From Monuments to Traces

*Artifacts of German Memory, 1870–1990*

**Rudy Koshar**

Koshar constructs a powerful framework in which to examine the subject of German collective memory.

"Very insightful and very readable.... I was truly impressed by Koshar's use of eastern and western European comparisons from both the nineteenth and twentieth centuries."

—Harold Marcuse, University of California, Santa Barbara

*Weimar and Now: German Cultural Criticism*, \$45.00 hardcover

## Berlin Metropolis

*Jews and the New Culture, 1890–1918*

**Emily D. Bilski, Editor**

"An important contribution to the historiography of modern German society as well as of the role of the German Jews in the modernist movement in Europe."

—Hilton Kramer, *New York Observer*

*Published in association with The Jewish Museum, New York*, \$29.95 paperback, \$60.00 hardcover

## Munich and Memory

*Architecture, Monuments, and the Legacy of the Third Reich*

**Gavriel D. Rosenfeld**

Denazified national emblem of the Third Reich

Munich, notorious in recent history as the capital of the Nazi movement, is the site of Gavriel Rosenfeld's stimulating inquiry into the German collective memory of the

Third Reich. Rosenfeld shows how the city's urban form developed after 1945 in direct reflection of its inhabitants' evolving memory of the Second World War and the Nazi dictatorship.

*Weimar and Now: German Cultural Criticism*, \$45.00 hardcover

## Prague Territories

*National Conflict and Cultural Innovation in Franz Kafka's Fin de Siècle*

**Scott Spector**

"This admirably lucid, impressively well researched, and theoretically sophisticated book provides both a cultural history of Prague, focusing on its German-Jewish writers, and a broader context for reading Franz Kafka. It brings out the complex ways in which a 'minor' literature has a powerful if problematic political import."

—Dominick LaCapra, Cornell University

*Weimar and Now: German Cultural Criticism*, \$45.00 hardcover

# LEFT CURVE

"Redemption looks to the small fissure in the on-going catastrophe." — Benjamin

*Left Curve* is an artist-produced open, critical journal that addresses the problem(s) of cultural forms, emerging from the crisis of modernity, that strive to be independent from the control of dominant institutions, and free from the shackles of instrumental rationality. Each issue is a mix of traditional and/or experimental essays, graphics, photography, visual/verbal art, poems, fiction, documents, reviews, etc.

## COVERING ISSUES SUCH AS:

- Cyberspace and Nature • Globalization •
- Tradition vs. Modernity • Critiques of Postmodernism •
- Commodity Spectacles • Ethnicity • Cultural Identity •
- Post-communist culture • (New)Subjectivities • Underground art •
- Who are we, where are we going...? •

## Current Issue:
