

The Occult in Russian and Soviet Culture

EDITED BY
BERNICE GLATZER
ROSENTHAL

This book provides a comprehensive account of the influence of occult beliefs and doctrines on intellectual and cultural life in twentieth-century Russia. "A fascinating exploration of occult themes in Russian culture, from turn-of-the-century modernism to the post-Communist scene, not excluding the nooks and crannies of the Soviet period. Admirable for its range and scholarly detail."—LAURA ENGELSTEIN, Princeton University. 23 b&w illus., 11 drawings. \$59.95 cloth, \$24.95 paper

Russian Talk

Culture and Conversation during Perestroika

NANCY RIES

"No one in Russian studies will be able to ignore this book. It truly engaged me. Ries has staked out her position forcefully and presented strong evidence. I think she will become famous as the author of the 'Ries thesis'—that what is Russian about Russians is constituted through talk."
—JOHN BUSHNELL,

Tolstoy and the Genesis of "War and Peace"

KATHRYN B. FEUER

Edited by Robin Feuer Miller and Donna Tussing Orwin. Feuer offers remarkable insights into Tolstoy's creative process while he wrote *War and Peace*. She follows the novel through countless drafts and notes, and illuminates its connection to earlier, unpublished novels and to crucial new sources, both European and Russian. Additionally, Feuer locates Tolstoy within the intellectual debates of his time. \$29.95

Revolution of the Mind

Higher Learning among the Bolsheviks, 1918–1929

MICHAEL DAVID-FOX

Using archival materials never previously accessible to Western scholars, David-Fox analyzes Bolshevik Party educational and research initiatives in higher learning after 1917. His fresh consideration of the era of the New Economic Policy and cultural politics after the Revolution explains how new communist institutions rose to parallel and rival conventional higher learning from the Academy of Sciences to the universities. STUDIES OF THE HARRIMAN INSTITUTE. 6 b&w photos. \$45.00

Stranger in Our Midst

Images of the Jew in Polish Literature

EDITED WITH AN
INTRODUCTION BY
HAROLD B. SEGEL

In this remarkable anthology, the first of its kind, Segel offers translations of poems and prose works—mainly fiction—by non-Jewish Polish writers. Taken together, the selections represent the complex perceptions about Jews in the Polish community in the period 1530-1990. 11 b&w illus. \$49.50 cloth, \$17.95 paper

Democratization and Authoritarianism in Post- Communist Societies

**Karen Dawisha and
Bruce Parrott, Editors**

These four volumes, edited by two well-known analysts of post-communist politics, bring together distinguished specialists to provide specially commissioned, up-to-date essays on twenty-seven post-communist countries. Each contributor analyzes both progress made toward democratization, and the underlying social, economic, cultural and political factors shaping that process.

FOOD IN RUSSIAN HISTORY & CULTURE

FOOD IN RUSSIAN HISTORY AND CULTURE

Edited by **Musya Glants and Joyce Toomre**

This collection of original essays gives surprising insights into what foodways reveal about Russia's history and culture from Kievan times to the present. A wide array of sources—including chronicles, diaries, letters, police records, poems, novels, folklore, paintings, and cookbooks—help to interpret the moral and spiritual role of food in Russian culture. Stavelore in Russian folklife, fasting in Russian peasant culture, food as power in Dostoevsky's fiction, Tolstoy and vegetarianism, restaurants in early Soviet Russia, Soviet cookery and cookbooks, and food as art in Soviet paintings are among the topics discussed in this appealing volume.

The First Hundred Years of Mikhail Bakhtin

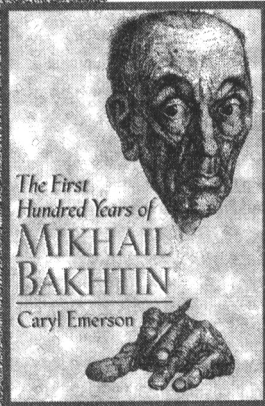

Caryl Emerson

A leading authority on the work of Mikhail Bakhtin, Caryl Emerson now mines extensive Russian sources to explore Bakhtin's reception in Russia, from his earliest publication in 1929 until his death, and his posthumous rediscovery. After a reception-history of Bakhtin's published work, she examines the role of his ideas in the post-Stalinist revival of the Russian literary profession, concentrating on the most provocative rethinking of three major concepts in his world: dialogue and polyphony; carnival; and "outsideness," a position Bakhtin considered essential to both ethics and aesthetics. Finally, she speculates on the future of Bakhtin's method, which was much more than a tool of criticism: it will "tell you how to teach, write, live, talk, think."

"This is a marvelous book by a brilliant, sophisticated, immensely articulate, and 'lovingly critical' student of Mikhail Bakhtin."

—David M. Bethea

Cloth \$29.95 ISBN 0-691-06976-X Due December

Merchant Moscow

Images of Russia's Vanished Bourgeoisie

Edited by James L. West and Iurii A. Petrov

The first joint Russian-American collaborative project on the history of Russian entrepreneurship, *Merchant Moscow* puts a human face on early Russian capitalism. It presents thematic groupings of historic photographs paired with commentaries by contemporary Russian and American historians. The pictures provide a stunning, wide-ranging visual portrait of Imperial Russia's most influential entrepreneurial elite, while the accompanying articles interpret the photographs and place them in the larger cultural context of prerevolutionary Russia.

Here is a surprising new view of the bourgeoisie during the Silver Age, revealed for the first time in this fascinating volume.

The Pillar and Ground of the Truth

An Essay in Orthodox Theodicy in Twelve Letters

Pavel Florensky

Translated by Boris Jakim

With an introduction by Richard Gustafson

Certainly the greatest Russian theologian of this century, Pavel Florensky (1882–1937) is now beginning to be recognized as one of its greatest polymaths. Known as the Russian Leonardo da Vinci, he became a Russian Orthodox priest in 1911, while remaining deeply involved with the cultural, artistic, and scientific developments of his time. This volume is the first English translation of his rich and fascinating defense of Russian Orthodox theology.

"Florensky's *The Pillar and Ground of the Truth*, one of the most important and controversial works of Russian religious philosophy, caused a sensation when it first appeared, and made its author the central figure in the remarkable awakening of Russian religious thought at the beginning of this century. English readers have yet to confront the radical unity revealed in the work of this mathematician, physicist, poet, and priest. . . ."—Richard Pevear
Cloth \$49.50 ISBN 0-691-03243-2

Local Heroes

The Political Economy of Russian Regional Governance

Kathryn Stoner-Weiss

Local Heroes is the first book to look comprehensively and systematically at Russia's democratic transition at the local level. Its goal is to explain why some of the new political institutions in the Russian provinces weathered the monumental changes of the early 1990s better than others.

Using newly available economic, political, and sociological data to test various theories of democratization and institutional performance, Stoner-Weiss finds that traditional theories are unable to explain variations in regional government performance in Russia and she preposes some surprising new explanations. This provocative work, solidly grounded in research and theory, will interest all readers concerned with issues of economic and political transition.

The Magician's Doubts

Nabokov and the Risks of Fiction

Michael Wood

"Wood's book is so thronged with pleasures, so acute in its insights, so replete with clear thoughts limpidly expressed, that one could . . . write a review of it consisting entirely of quotations from the text. . . . [It] offers us an entirely new set of insights into the work of a modern master."

—John Banville, *The New York Review of Books*

"This is a fine example of an endangered species: the full-length book of literary criticism dedicated to the appreciation and interpretation of a single author, addressed to the general reader. . . . Reading *The Magician's Doubts*, we re-experience and recover . . . pleasures of Nabokov's texts we may have forgotten or overlooked."—David Lodge, *The New York Times Book Review*

Paper \$14.95 ISBN 0-691-04830-4 Due January

Spies without Cloaks

The KGB's Successors

Amy Knight

This book offers a compelling and comprehensive account of what happened to the KGB when the Soviet Union collapsed and the world's most powerful and dangerous secret police organization was uncloaked. As Amy Knight shows, the KGB was renamed and reorganized several times after it was officially disbanded in December 1991—but it was not reformed. During the heated 1995 parliamentary elections, when President Yeltsin needed the support of the secret services, these agencies seemed, to many observers, to have acquired more power than the old KGB.

"This is easily the best book on the former KGB to appear since the end of the cold war. Knight is a formidable researcher with an excellent reputation, which this work . . . does everything to confirm. For those who believe the Russian bear has been slain, this is a welcome reality check."

—James Adams, *The (London) Sunday Times*

RUSSIAN STUDIES

SOCIAL IDENTITY IN IMPERIAL RUSSIA

*Elise Kimerling
Wirtschafter*

This analysis of Great Russian society illuminates the interplay of social groups with one another and with the state. From an examination of the service class, the *raznochintsy*, and the working people, Wirtschafter shows how social, political, and legal relationships that have long been regarded as sources of conflict in fact promoted integration and stability.

288 pages \$35.00 cloth

BETWEEN TWO REVOLUTIONS

Stolypin and the Politics of Renewal in Russia

Peter Waldron

Examining Stolypin's efforts to modernize Russia after the establishment of a constitutional government in 1906, Waldron assesses the program for reform in administration, agriculture, and education.

288 pages \$36.00 cloth

ROMANTICS, REFORMERS, REACTIONARIES

Russian Conservative Thought and Politics in the Reign of Alexander I

Alexander M. Martin

Exploring Russian thought, politics, and culture in the early nineteenth century, Martin offers the first in-depth probe of the origins of Russian conservatism. He traces the indigenous and foreign roots of conservative ideology through a wide range of sources and shows how Russian conservatism was uniquely double-edged.

304 pages \$35.00 cloth

THE RISE OF THE RUSSIAN NOVEL

Carnival, Stylization, and Mockery of the West

David W. Gasperetti

Gasperetti shows how early Russian writers used elements of a native-inspired subculture—folklore, pulp fiction, and the entertainment of carnival itself—to subvert the conventions of foreign literature and to establish an independent course for prose fiction in Russia.

PEASANT REBELS UNDER STALIN

Collectivization and the Culture of Peasant Resistance

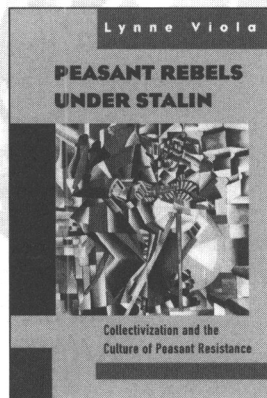

LYNNE VIOLA

“An important contribution to the social history of collectivization, the Soviet peasantry, and peasant resistance in general.”

—*Choice*

Peasant Rebels Under Stalin retrieves a crucial lost chapter from the history of Stalinist Russia. The peasant revolt against collectivization, as reconstructed by author Lynne Viola, was the most violent and sustained resistance to the Soviet state after the Russian Civil War. Conservative estimates suggest that over the course of the 1920s and early 1930s, more than 1,100 people were assassinated, more than 13,000 villages rioted, and over 2.5 million people participated in this active struggle of resistance.

This book is about the men and women who tried to preserve their families, communities, and beliefs from the depredations of Stalinism. Their acts were often heroic, but these heroes were homespun, ordinary people who were driven to acts of desperation by cruel and brutal state policies.

1996 328 pp. \$49.95

This is a study of peasant community, culture, and politics through the prism of resistance. Based on newly declassified Soviet archives, including previously inaccessible OGPU (secret police) reports, Viola's work documents the manifestation in Stalin's Russia of universal strategies of peasant resistance in what amounted to a virtual civil war between state and peasantry. This book is must reading for scholars of Soviet history, Stalinism, popular resistance, and Russian peasant culture.

TO THOSE WISHING TO SUBMIT MANUSCRIPTS

Manuscripts for consideration should be submitted by post or courier in four double-spaced typed copies. (If computer-generated, they should be letter quality or near letter quality. Continuous form sheets must be separated.) Notes and block quotations should be double-spaced; notes should be placed at the end of the manuscript and not at the bottoms of pages. Library of Congress transliteration and the *Chicago Manual of Style* are to be followed. In general, articles should not exceed 35 typed pages 8½" by 11" in dimension—including endnotes. Accepted manuscripts will be copyedited electronically, and authors will be asked to submit final versions on computer diskette. Submissions will not be returned.

Manuscripts are sent to outside readers in anonymous form and should be prepared accordingly.

The policy of *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

The *Slavic Review* does not ordinarily accept unsolicited book reviews. Please consult us in advance of submitting an uninvited book review.

Slavic Review is the journal of the American Association for the Advancement of Slavic Studies, whose members support the journal through their dues. *Slavic Review* expects the authors of articles published in the journal to belong to the association.
