Nationalities Papers is the leading journal on nationalism, ethnicity, ethnic conflict and national identity in Central Europe, the Balkans, the former Soviet Union, the Caucasus, the Turkic world and Central Eurasia. Furthermore, the journal also publishes contributions on theories of nationalism, comparative studies of nationalism, and trans- and supranational aspects of interethnic relations and national identity. The journal publishes timely, high quality articles from a variety of disciplines, including history, political science, sociology, anthropology, and literature. *Nationalities Papers* is the journal of the Association for the Study of Nationalities, bringing together scholars worldwide working on nationalism and ethnicity, Central and Eastern Europe, the Balkans and Eurasia. All articles have undergone rigorous peer review, based on initial editor screening and double-blind refereeing by a minimum of two anonymous referees.

The journal welcomes submissions from multiple disciplines and different methodological approaches from scholars around the world. In addition to individual paper submissions, the journal also welcomes proposals for special symposia (3-5 articles) on specific regional or disciplinary themes. All symposia will undergo the same peer review process as other articles. Articles should be between 8,000 and 10,000 words in length (including notes and bibliography).

Inquiries. Direct all inquiries regarding articles and special symposia to the Editor: f.bieber@kent.ac.uk.

Electronic Submission. All submissions should be made online at the *Nationalities Papers* ScholarOne Manuscripts site (<http://mc.manuscriptcentral.com/CNAP>). New users should first create an account. Once a user is logged onto the site submissions should be made via the Author Centre. Authors should prepare and upload two versions of their manuscript. One should be a complete text, while in the second all document information identifying the author should be removed from files to allow them to be sent anonymously to referees. When uploading files authors will then be able to define the non-anonymous version as "File not for review".

Note to authors. Please make sure your contact address information is clearly visible on the outside of all packages you are sending to Editors. Authors should be mindful of the need to identify and reference quoted material – text, tables, and figures – clearly and consistently, and to secure written permission from the copyright holder as appropriate. <http://tandf.tandf.co.uk/journals/ethics.asp>

Offprints. Corresponding authors can receive 50 free reprints, free online access to their article through our website (www.informaworld.com) and a complimentary copy of the issue containing their article. Complimentary reprints are available through Rightslink® and additional reprints can be ordered through Rightslink® when proofs are received or alternatively on our journals website. If you have any queries, please contact our reprints department at reprints@tandf.co.uk

Copyright. It is a condition of publication that authors assign copyright or license the publication rights in their articles, including abstracts, to The Association for the Study of Nationalities. This enables us to ensure full copyright protection and to disseminate the article, and of course the Journal, to the widest possible readership in print and electronic formats as appropriate. Authors retain many rights under the Taylor & Francis rights policies, which can be found at www.informaworld.com/authors_journals_copyright_position. Authors are themselves responsible for obtaining permission to reproduce copyright material from other sources.
