*"A brilliant reading of Nabokov's stories."
—Review of Contemporary Fiction*

This captivating interpretation of Nabokov's career through the prism of his short fiction explores how Nabokov eclipsed the achievements of the great Russian masters of the short story, Anton Chekhov and Ivan Bunin, with whom he maintained a dialogic relationship even as he became—in exile from Russia and his native tradition—an American writer.

VILLAGE MOTHERS

Three Generations of Change in Russia and Tataria

David L. Ransel

"It is the scope of these personal histories and the detail they have generated which make this book particularly impressive . . . a very accessible and colorful text." —Susan Bridger

Three generations of Russian and Tatar women speak out about how they have coped with marriage, abortion, birthing, and child rearing practices over the course of the 20th century.

LIFE HAS BECOME MORE JOYOUS, COMRADES

Celebrations in the Time of Stalin

Karen Petrone

A lively history of Soviet celebration, *Life Has Become More Joyous, Comrades* focuses on cultural practices of Stalin's Soviet Union. The work analyzes how Soviet and Party leaders of the 1930s used celebrations to promote legitimacy and authority while ordinary Soviet citizens appropriated these events to express alternative, even subversive, viewpoints.

***RULING RUSSIAN EURASIA:
Khans, Clans, and Tsars***

by Robert C. Williams

Orig. Ed. 2000 (Anvil) 292 pp. Paper ISBN 1-57524-115-3 \$22.50

This work offers an interpretive history of the Russian Empire from 1700 to 1917, in the larger Eurasian context of the Mongols, Muscovy, and the Soviet Union. It explains how a westernizing oligarchy tried to transform an enigma of clan societies into modern nationstates. It also provides information on the Soviet Union and its subsequent breakup. The text is supplemented with many original documents.

The arrival of Ján Šimko's English-Slovak Dictionary in bookstores in the summer of 1991 was a happy event...One of the most important features of this dictionary is the wealth of commonly used and idiomatic phrases that it contains...Dr. Šimko's dictionary is a solid scholarly work, which has been compiled in accordance with modern lexicographical principles. It is a valuable resource for both specialists and students. This dictionary should be added to the reference sections of our libraries, and the collections of our Slovak organizations.

STEALING THE STATE

CONTROL AND COLLAPSE
IN SOVIET INSTITUTIONS

Steven L. Solnick

"Amid lamentations over 'reforms' stymied by Communist troglodytes, the repudiation of socialism and the dissolution of the Soviet Union seemed to come out of the blue. An institutional loss of confidence turned into a self-fulfilling spiral. 'Soviet institutions,' explains Steven L. Solnick, 'were victimized by the organizational equivalent of a colossal bank run.' Soviet officials sensed the impending doom, and they 'rushed to claim...assets before the bureaucratic doors shut for good.' Of course, 'unlike [in] a bank run, the defecting officials were not depositors claiming their rightful assets, but employees of the state appropriating state assets.' And they grabbed everything that was 'fungible.' (From the wreckage Solnick himself plucked a valuable book.)"

—Stephen Kotkin, *NEW REPUBLIC*

"Using three different Soviet youth organizations as examples—the Komsomol, military conscription, and the job assignment program—Solnick illustrates how Mikhail Gorbachev's reforms rechanneled the self-seeking behavior of bureaucrats in directions that destroyed rather than revived soviet institutions. He bases his compact and accessible explanation on recent general institutional theory. Seen from this angle, structures collapsed not because ideology failed, politicians quarreled, or interested groups rose to challenge sterile authority. Instead, the system imploded because bureaucrats at all levels made off with state assets at the first opportunity, hollowing out the state or 'stealing' it."

—FOREIGN AFFAIRS

"Solnick has succeeded in his attempt to apply the formal theory of neo-institutionalism to the analysis of one of the most dramatic events of the century... The book should be commended as evidence that even the most bizarre and idiosyncratic events can be explained and understood on universal premises of bounded rationality and institutional change."

Making Sense of War

The Second World War and the Fate of the Bolshevik Revolution

Amir Weiner

In *Making Sense of War*, Amir Weiner reconceptualizes the entire historical experience of the Soviet Union from a new perspective, that of World War II. Breaking with the conventional interpretation that views World War II as a post-revolutionary addendum, Weiner situates this event at the crux of the development of the Soviet—not just the Stalinist—system.

“I know no other book that systematically relates World War II and postwar Soviet experience to the whole of Soviet history. The book’s originality and its exhaustive research make it truly interesting . . . This is a tour de force of new scholarship on the Soviet Union.”—Hiroaki Kuromiya, Indiana University

The Politics of Institutional Choice

The Formation of the Russian State Duma

Steven S. Smith and Thomas F. Remington

Events in Russia since the late 1980s have created a rare opportunity to watch the birth of democratic institutions close at hand. Here Steven Smith and Thomas Remington provide the first intensive, theoretically grounded examination of the early development of the State Duma, the lower house of the Russian Federation’s parliament.

“Combining votes on bills together with surveys of Duma candidates and members is an extraordinary achievement. The authors have crafted a valuable story about institutional and political evolution in Russia.”—Mathew D. McCubbins, University of California, San Diego

TO THOSE WISHING TO SUBMIT MANUSCRIPTS

Manuscripts for consideration should be printed on a letter-quality or near letter-quality printer and submitted by post or courier in four double-spaced copies. Notes and block quotations should also be double-spaced; notes should be placed at the end of the manuscript and not at the bottoms of pages. Library of Congress transliteration and the *Chicago Manual of Style* are to be followed. Manuscripts are sent to outside readers in anonymous form and should be prepared accordingly.

In general, articles should not exceed 8,000 words, excluding endnotes. Please indicate the word count on the cover page of the manuscript. Accepted manuscripts will be copyedited electronically, and authors will be asked to submit final versions on computer diskette. Submissions will not be returned.

The policy of *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

Slavic Review does not ordinarily accept unsolicited book reviews. Please consult us in advance of submitting an uninvited book review.

Slavic Review is the journal of the American Association for the Advancement of Slavic Studies, whose members support the journal through their dues. *Slavic Review* expects the authors of articles published in the journal to belong to the association.
