

# Postcommunist States and Nations

This comprehensive series covers the historical background, politics and political prospects, economics and economic outlook, and international relations of the countries of Eastern Europe and the former Soviet Union since the end of the Cold War. The common format makes the series ideal for comparative study and the volumes are furnished with glossaries, bibliographies, and chronologies. Providing in-depth analysis of the politics and recent history of countries formerly under communist rule, this series will prove an invaluable resource for students and researchers alike.

**NATIONALITIES PAPERS** is the only journal in the world which deals exclusively with all nationalities of the former USSR, and also with national minorities in Eastern and Central European countries. The problems and importance of over 140 million people are treated with the disciplinary and methodological contexts of Post-Soviet and Europe-Asia studies. Of central concern is the fate of the Balts, Ukrainians, Jews and the peoples of Central Asia and the Caucasus. *Nationalities Papers* is an international and multidisciplinary journal with contributors and readers throughout North America, Western and Eastern Europe, the Far East, Japan and the People's Republic of China. Included in each general issue are in-depth analyses from the historical view, updates on latest developments, some original documents, and book reviews; some issues concentrate on a region or nationality as a special topic, which exclusive focus allows for more extensive and detailed information.

**Submission of manuscripts.** Authors should send the final, revised version of their articles in both hard copy paper and electronic disk forms. It is essential that the hard copy (paper) version *exactly* matches the material on disk. Please print out the hard copy from the disk you are sending. Submit three printed copies of the final version with the disk to Dr Nancy M. Wingfield, *Nationalities Papers*, Department of History, Northern Illinois University, DeKalb, IL 60115, USA. Save all files on a standard 3.5 inch high-density disk. We prefer to receive disks in Microsoft Word in a Mac format, but can translate from most other common word-processing programs. Please specify which program you have used. Do not save your files as "text only" or "read only". For further details on Electronic Submission, please visit the Taylor & Francis Website at: <http://www.tandf.co.uk/journals>
